Each Dealer and each purchaser of Notes must observe all applicable laws and regulations in any jurisdiction in which it may offer, sell or deliver Notes or distribute this Debt Issuance Program Prospectus or any offering material in relation to Notes.

The Debt Issuance Program Prospectus contains a summary of certain selling restrictions in the United States, the European Economic Area, the United Kingdom, Japan, The Netherlands, Australia and Singapore. Governing Law:

The Notes (save for Australian Domestic Notes) will be governed by English law. The Guarantees will be governed by the laws of the State of New York.

These conditions include but are not limited to market and competitive risk, changes in investor sentiment, liquidity risk, changes to credit ratings, credit exposure and operational risk and legal regulatory risk. These risks are set out in more detail on pages 11 to 15 of this Debt Issuance Program Prospectus.

RISK FACTORS

Prospective investors should read the entire Debt Issuance Program Prospectus. Words and expressions defined in the “Terms and Conditions of the Notes” below or elsewhere in this Debt Issuance Program Prospectus have the same meanings in this section. Investing in the Notes involves certain risks. Prospective investors should consider, among other things, the following:

The Issuers believe that the factors described below present the principal risks inherent in investing in the Notes issued under the Program, but the inability of the relevant Issuer to pay interest or principal on or in connection with any Notes may occur for other reasons and none of the Issuers represents that the statements below regarding the risks of holding any Notes is exhaustive.

Risks Relating to the Notes

There is no active trading market for the Notes.

Notes issued under the Program will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the relevant Issuer. Although application has been made for the Notes issued under the Program to be admitted to trading and listing on the regulated market of the Luxembourg Stock Exchange (within the scope of Directive 2004/39/EC on Markets in Financial Instruments), there is no assurance that such application will be accepted, that any particular Tranche of Notes will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity.

Unless in the case of any particular Tranche of Notes the relevant Final Terms specifies otherwise, in the event that the relevant Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the United States, The Netherlands or the Federal Republic of Germany, as the case may be, or any political subdivision thereof or any authority therein or thereof having power to tax, the relevant Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are redeemable at the relevant Issuer’s option in certain other circumstances the relevant Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because the Global Notes are held by or on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the relevant Issuer.

Notes issued under the Program may be represented by one or more Global Notes. Such Global Notes will be deposited with a common depositary for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the relevant Global Note, investors will not be entitled to receive definitive Notes. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by one or more Global Notes, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Notes are represented by one or more Global Notes the relevant Issuer will discharge its payment obligations under the Notes by making payments to the common depositary for Euroclear and Clearstream,

Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the relevant Notes. The relevant Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes.

Holders of beneficial interests in the Global Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies. Similarly, holders of beneficial interests in the Global Notes will not have a direct right under the Global Notes to take enforcement action against the relevant Issuer in the event of a default under the relevant Notes but will have to rely upon their rights under the Deed of Covenant.

Some Notes are subordinated to most of the relevant Issuer's liabilities.

If in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are subordinated obligations of the relevant Issuer and that Issuer is declared insolvent and a winding up is initiated, it will be required to pay the holders of senior debt and meet its obligations to all its other creditors (including unsecured creditors but excluding any obligations in respect of subordinated debt) in full before it can make any payments on the relevant Notes. If this occurs, such Issuer may not have enough assets remaining after these payments to pay amounts due under the relevant Notes.

Loss of Investment

If, in the case of any particular Tranche of Notes, the relevant Final Terms specify that the Notes are Index, Equity or Credit Linked or Hybrid Rate Notes, there is a risk that any investor may lose the value of their entire investment or part of it.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Program. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common of each features:

Index Linked Notes and Dual Currency Notes

The Issuers may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "*Relevant Factor*"). In addition, the Issuers may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated.

Potential investors should be aware that:

- (i) the market price of such Notes may be very volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and

- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Notes

The Issuers may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the relevant Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The relevant Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Transparency Directive

Directive 2004/109/EC of the European Parliament and of the Council of 15 December 2004 on the harmonisation of transparency requirements in relation to information about issuers whose securities are admitted to trading on an EEA Regulated Market and amending Directive 2001/34/EC (the "Transparency Directive") entered into force on 20 January 2005. It requires member states to take measures necessary to comply with the Transparency Directive by 20 January 2007. If, as a result of the Transparency Directive or any legislation implementing the Transparency Directive, LBHI could be required to publish financial information either more regularly than it otherwise would be required to or according to accounting principles which are materially different from the accounting principles which it would otherwise use to prepare its published financial information, LBHI may seek an alternative admission to listing, trading and/or quotation for the Notes on the EuroMTF or by such other listing authority, stock exchange and/or quotation system inside or outside the European Union as it may (with the approval of the Dealers) decide.

Risks relating to LBHI as Issuer and Guarantor

LBHI is the ultimate parent company of the Lehman Brothers group. Since LBHI is primarily a holding company, its cash flow and consequent ability to satisfy its obligations under the Notes issued by it and under the Guarantees are dependent upon the earnings of its subsidiaries and dividends or other distributions of those earnings or loans or other payments by those subsidiaries to LBHI. Except for the other Issuers and certain other subsidiaries as issuers of Notes and other securities (and then solely with respect to the Notes and other securities issued by them), LBHI's subsidiaries will have no obligation to pay any amount in respect of Notes or to make any funds available therefore. Several of LBHI's principal subsidiaries are subject to various capital adequacy requirements promulgated by the regulatory, banking and exchange authorities of the countries in which they operate and/or to capital targets established by various ratings agencies. The requirements referred to above, and certain covenants contained in various debt agreements, may restrict LBHI's ability to withdraw capital from its subsidiaries by dividends, loans or other payments. Additionally, the ability of LBHI to participate as an equity holder in any distribution of assets of any subsidiary is generally subordinated to the claims of creditors of the subsidiary.

Certain Factors Affecting Lehman Brothers' Results of Operations

Lehman Brothers' financial condition and results of operations may be affected by uncertain or unfavourable economic, market, legal and other conditions. These conditions include but are not limited to:

Market Risk

Changes in interest and foreign exchange rates, financial instruments and real estate valuations and increases in volatility can increase credit and market risks and may also affect customer-flow-related revenues and proprietary trading revenues as well as affect the volume of debt and equity underwritings and merger and acquisition transactions. Lehman Brothers use derivatives and other financial contracts to hedge many of these market risks.

Competitive Environment

All aspects of Lehman Brothers' business are highly competitive. Lehman Brothers' competitive ability depends on many factors, including its reputation, the quality of its services and advice, intellectual capital, product innovation, execution ability, pricing, and sales efforts and the talent of its personnel.

Investor Sentiment

Accounting and corporate governance scandals in recent years have had a significant effect on investor confidence. In addition, concerns about geopolitical developments and oil prices, among other things, can affect the global financial markets.

Liquidity

Liquidity and liquidity management are of critical importance in Lehman Brothers' industry. Liquidity could be affected by the inability to access the long-term or short-term debt, repurchase or securities-lending markets or to draw under credit facilities, whether due to factors specific to Lehman Brothers or to general market conditions. In addition, the amount and timing of uncertain events, such as unfunded commitments and contingencies, could adversely affect cash requirements and liquidity. To mitigate these risks, Lehman Brothers' liquidity and funding policies have been conservatively designed to maintain sufficient liquid financial resources to continually fund its balance sheet and to meet all expected cash outflows, for one year in a stressed liquidity environment.

Credit Ratings

Lehman Brothers' access to the unsecured funding markets is dependent on its credit ratings. A reduction in credit ratings could adversely affect Lehman Brothers access to liquidity alternatives and its competitive position, and could increase the cost of funding or trigger additional collateral requirements.

Credit Exposure

Credit exposure represents the possibility a counterparty will be unable to honour its contractual obligations. Although Lehman Brothers actively manage credit exposure daily as part of its risk management framework, counterparty default risk may arise from unforeseen events or circumstances.

Operational Risk

Operational risk is the risk of loss resulting from inadequate or failed internal or outsourced processes, people, infrastructure and technology, or from external events. Lehman Brothers minimise these risks through a strong internal control environment.

Legal and Regulatory

The securities and financial services industries are subject to extensive regulation under both federal and state laws in the U.S. and under the laws of the many other jurisdictions in which Lehman Brothers do business. Lehman Brothers also are regulated by a number of self-regulatory organizations such as the National Association of Securities Dealers, the Municipal Securities Rulemaking Board and the National Futures Association, and by national securities and commodities exchanges, including the New York Stock Exchange. Violation of applicable regulations could result in legal and/or administrative proceedings, which may impose censures, fines, cease-and-desist orders or suspension of a firm, its officers or employees. The scrutiny of the financial services industry has increased, which has led to increased regulatory investigations and litigation against financial services firms.

Legislation and rules adopted both in the U.S. and around the world have imposed substantial new or more stringent regulations, internal practices, procedures and controls and disclosure requirements in such areas as financial reporting, corporate governance, auditor independence, equity compensation plans, restrictions on the interaction between equity research analysts and investment banking personnel and money laundering. The trend and scope of increased compliance requirements may require Lehman Brothers to invest in additional resources to ensure compliance.

Lehman Brothers is involved in a number of judicial, regulatory and arbitration proceedings concerning matters arising in connection with the conduct of its business, including actions brought against Lehman Brothers and others with respect to transactions in which Lehman Brothers acted as an underwriter or financial advisor, actions arising out of its activities as a broker or dealer in securities and actions brought on behalf of various classes of claimants against many securities firms and lending institutions, including Lehman Brothers.

Risks relating to LBB

The risk factors set out above are not considered to affect the ability of either LBB or LBTCBV to fulfil their respective obligations to investors under Notes issued by them because such obligations are irrevocably and unconditionally guaranteed by LBHI pursuant to the relevant Guarantee.

Risks relating to LBTCVB

The risk factors set out above are not considered to affect the ability of either LBB or LBTCBV to fulfil their respective obligations to investors under Notes issued by them because such obligations are irrevocably and unconditionally guaranteed by LBHI pursuant to the relevant Guarantee.

The Issuers will provide, without charge, to each person to whom a copy of this Debt Issuance Program Prospectus has been delivered, upon the oral or written request of such person, a copy of any or all of the documents which or portions of which are incorporated herein by reference. Written or oral requests for such documents should be directed to the Issuers at their specified offices below. In addition, such documents and copies of the relevant Final Terms will be available (i) without charge from the specified office of any paying agent or the specified office of the listing agent in Luxembourg; or (ii) on the website of the Luxembourg Stock Exchange at www.bourse.lu, in each case in relation to Notes admitted to trading and listing on the Luxembourg Stock Exchange.

The Issuers have undertaken, in connection with the listing of the Notes on the regulated market of the Luxembourg Stock Exchange (within the scope of Directive 2004/39/EC on Markets in Financial Instruments), the EuroMTF or Singapore Stock Exchange, that upon the Issuers becoming aware that a significant change affecting any matter contained in this Debt Issuance Program Prospectus has occurred or a significant new matter has arisen, the inclusion of information in respect of which would have been required to be in this Debt Issuance Program Prospectus if it had arisen before this Debt Issuance Program Prospectus was issued, the Issuers will publish a supplement to this Debt Issuance Program Prospectus.

Documents in relation to listed Notes other than Notes admitted to trading and listing on the Luxembourg Stock Exchange or listed on the Singapore Stock Exchange will be available from other offices as specified in the relevant Final Terms.

If the terms of the Program are modified or amended in a manner which would make this Debt Issuance Program Prospectus, as so modified or amended, inaccurate or misleading, a new debt issuance program prospectus will be prepared to the extent required by law.

GENERAL DESCRIPTION OF THE PROGRAM

The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer(s) prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, or annexed to, the Notes, as supplemented by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under “Form of the Notes” below.

Notes issued under the Program may be issued pursuant to this Debt Issuance Program Prospectus and associated Final Terms (“*Final Terms*”) or pursuant to a drawdown prospectus (“*Drawdown Prospectus*”) prepared in connection with a particular Tranche of Notes. Accordingly references to terms and conditions and other items being as set out in this Debt Issuance Program Prospectus and relevant Final Terms should, as the context requires, be construed as being as set out in the relevant Drawdown Prospectus and references to Final Terms should be construed as referring to the Drawdown Prospectus as applicable.

This Debt Issuance Program Prospectus and any supplement will only be valid for the listing of Notes on the regulated market of the Luxembourg Stock Exchange (within the scope of Directive 2004/39/EC on Markets in Financial Instruments), the EuroMTF and the Singapore Stock Exchange in an aggregate principal amount which, when added to the aggregate principal amount then outstanding of all Notes previously or simultaneously issued under this Program, does not exceed U.S.\$45,000,000,000 (or its equivalent in other currencies). For the purpose of calculating the U.S. dollar equivalent of the aggregate principal amount of Notes issued under the Program from time to time:

- (a) the U.S. dollar equivalent of Notes denominated in another Specified Currency (as hereafter defined) shall be determined as of the date of agreement to issue such Notes (the “*Agreement Date*”) on the basis of the forward rate for the sale of the U.S. dollar against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading bank selected by the relevant Issuer on the Agreement Date;
- (b) the U.S. dollar equivalent of Dual Currency Notes and Index-Linked Notes (each as hereafter defined) shall be calculated in the manner specified above by reference to the original principal amount of such Notes;

- (c) the principal amount of Zero Coupon Notes (as hereafter defined) and other Notes issued at a discount or a premium shall be deemed to be the net proceeds received by the relevant Issuer for the relevant issue of Notes; and
- (d) the face principal amount of Partly Paid Notes (as hereafter defined) will be taken into account regardless of the amount of the subscription price paid.

FORM OF THE NOTES

The Notes may be issued from time to time in one or more Series pursuant to an Amended and Restated Fiscal Agency Agreement dated ● 2005 (as amended, restated or supplemented from time to time, the “*Fiscal Agency Agreement*”) between, amongst others, LBHI, LBTCBV, LBB, JPMorgan Chase Bank N.A. as Fiscal Agent (together with its successors, the “*Fiscal Agent*”), Principal Paying Agent and Registrar, Kredietbank S.A. Luxembourgeoise and the other paying agents referred to therein (together with the Fiscal Agent in its capacity as Principal Paying Agent, the “*Paying Agents*”, which expression shall include any additional or successor paying agents), provided that Australian Domestic Notes are issued pursuant to the Deed Poll. The terms of any particular Tranche (as defined under “Terms and Conditions of the Notes” below) of Notes will be set forth in a Final Terms relating to such Tranche, as described under “Final Terms” below. The statements in this section include summaries of, and are subject to, the detailed provisions of the Fiscal Agency Agreement, any calculation agency agreement entered into by the Issuer of the relevant Tranche of Notes, the Notes and any applicable Final Terms. Copies of the Fiscal Agency Agreement and each calculation agency agreement are available for inspection and copies of each Final Terms are obtainable at the specified office of the Fiscal Agent in London, being at the date hereof at Trinity Tower, 9 Thomas More Street, London E1W 1YT, and at the specified offices of such other Paying Agents as may be appointed from time to time. A Final Terms relating to an unlisted Note may only be inspected by the Holder who must produce evidence satisfactory to the relevant Paying Agent as to his identity. The Holders (as defined below) of Notes and the Holders of any interest coupons (“*Coupons*”), receipts (“*Receipts*”) and talons (“*Talons*”) appertaining to the Notes are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Fiscal Agency Agreement applicable to them.

Notes may be issued on either an unsubordinated basis or a subordinated basis in either bearer form or registered form, except that Extendable Notes and Renewable Notes will only be issued in registered form and that bearer Notes will not be issued in the Australian domestic capital markets. Unless otherwise specified in the applicable Final Terms, the Notes will be in bearer form and denominated in such denominations and integral multiples as the relevant Issuer and the relevant Dealer(s) shall agree, except that, in any case, the Notes will be in such minimum denominations as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency and that (a) in the case of Notes to be admitted to trading on a regulated market within the scope of the Directive 2004/39/EC on Markets in Financial Instruments and/or publicly offered in an EEA Member State, the minimum denomination of the Notes will be at least EUR1,000 (or nearly equivalent in any other currency on the issue date) or the Notes will give the right to acquire transferable securities or to receive a cash amount, as a consequence of their being converted or the rights conferred by them being exercised, provided that the issuer of the underlying securities is not the relevant Issuer or another entity belonging to the Lehman Brothers group; (b) Notes issued by LBHI with a maturity of 183 days or less will have a minimum denomination of U.S.\$500,000 or its equivalent in the currency in which the Notes are denominated. The minimum subscription price for Australian Domestic Notes will be A\$500,000 (or the equivalent in another currency and, in either case disregarding moneys lent by the offeror or its associates) unless the offer or invitation giving rise to the subscription otherwise does not require disclosure to investors under Part 6D.2 of the Corporations Act 2001 of the Commonwealth of Australia. Australian Domestic Notes issued by LBTCBV are to be issued in registered (or inscribed) form, to be constituted by the Deed Poll (as defined below) and will take the form of entries on a register maintained by the Australian Registrar as described in the relevant Final Terms.

Each Tranche of Notes in bearer form will initially be represented by a temporary global Note, or (in the case of Issuers other than LBHI) a permanent global Note, without Coupons, Receipts or Talons attached, which will be deposited on behalf of purchasers of the Notes of such Tranche with a common depository for Euroclear and Clearstream, Luxembourg on or about the issue date thereof. Any reference in this section “Form of the Notes” to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

Upon deposit of such temporary global Note or permanent global Notes, as applicable, Euroclear and Clearstream, Luxembourg will credit the relevant Dealer(s) with principal amounts of Notes of such Tranche

equal to the principal amount thereof for which they have paid. If so specified in the applicable Final Terms, interests in the temporary global Note of any Tranche will be exchangeable for, in whole (i) interests in a permanent global Note in bearer form of such Series, (ii) definitive Notes in bearer form of such Series with, if applicable, Coupons, Receipts and/or Talons attached (as indicated in the applicable Final Terms) and (whether specified or not in the applicable Final Terms) in the case of Notes issued by LBHI, at the request and expense of each Holder (with respect to its own Notes) or (iii) interests in a global Note in registered form of such Series, in each case, on or after the date (the “*Exchange Date*”) that is the first Business Day (as defined in the Terms and Conditions of the Notes of such Tranche) following the expiration of a period of 40 days after the original issue date of the Notes of such Tranche (or the “restricted period” within the meaning of U.S. Treasury Regulations Section 1.163-5(c)(2)(i)(D)(7)). If so specified in the applicable Final Terms, interests in such temporary global Note will be exchangeable, in whole or in part, for definitive Notes in registered form on or after the Exchange Date upon such certification from Euroclear or Clearstream, Luxembourg as set forth above. If definitive Notes in bearer form have previously been issued in exchange for an interest in a permanent global Note representing Notes of the same Series, then (unless the Notes which would continue to be represented by any such permanent global Note would be regarded by Euroclear and Clearstream, Luxembourg as fungible with any such definitive Notes in bearer form issued in partial exchange for interests in any such permanent global Notes) interest in the temporary global Note will henceforth only be exchangeable, in whole, for definitive Notes in bearer form or definitive Notes in registered form of the same Series or any combination thereof. Pursuant to the Fiscal Agency Agreement, the Fiscal Agent shall arrange that, where a further Tranche of Notes is issued, the Notes of such Tranche shall be assigned a common code number and International Security Identification Number (“*ISIN*”) by Euroclear and Clearstream, Luxembourg which is different from the common code and ISIN number assigned to Notes of any previously issued Tranche of the same Series until the Exchange Date of the Notes of such new Tranche and receipt by Euroclear and/or Clearstream, Luxembourg of certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations in respect of the Notes of such new Tranche. References herein to the Notes of a Series shall be deemed to include any temporary or permanent global Notes, any global Notes in registered form and any definitive Notes in bearer or registered form of such Series, unless the context requires otherwise.

If so specified in the applicable Final Terms, interests in a permanent global Note in bearer form will be exchangeable upon not less than 60 days’ notice expiring at least 30 days after the Exchange Date to the Fiscal Agent and upon the presentation thereof made at any time at the office of the Fiscal Agent for (i) in whole or in part, definitive Notes in bearer form of the same Series, with, as applicable, Coupons, Receipts and/or Talons attached (as indicated in the applicable Final Terms) and (whether specified or not in the applicable Final Terms) in the case of Notes issued by LBHI, at the request and expense of each Holder (with respect to its own Notes); provided that if definitive Notes in bearer form are issued in partial exchange for an interest in such permanent global Note, such issuance shall (unless the Notes which would continue to be represented by such permanent global Note of such Series would be regarded by Euroclear and Clearstream, Luxembourg as fungible with any such definitive Notes in bearer form issued in partial exchange for interests in any such permanent global Note) give rise to the exchange of such permanent global Note in whole for, at the option of the Holders entitled thereto, definitive Notes in bearer form or definitive Notes in registered form or any combination thereof or (ii) in whole only, interests in a global Note in registered form of the same Series (provided that any such exchange may only occur after all interests in any temporary global Note in bearer form representing Notes of the same Series have been exchanged in full for Notes in other forms) and/or (iii) in whole or in part, definitive Notes in registered form of the same Series.

If so specified in the applicable Final Terms, definitive Notes in bearer form will be exchangeable for, in whole or in part, definitive Notes in registered form of the same Series upon not less than 60 days’ notice expiring at least 30 days after the Exchange Date to the Fiscal Agent and upon the surrender thereof (together with all unmatured Coupons, Receipts and Talons, if any, relating thereto) made at any time at the office of the Fiscal Agent. Where, however, a definitive Note in bearer form is surrendered for exchange after a record for any payment of interest or any instalment payment of principal, the Coupon or Receipt, respectively, in respect of that payment need not be surrendered with such Note. No exchanges of definitive Notes in bearer form for definitive Notes in registered form will be made during the period of 30 days ending on the due date for any payment of principal (other than an instalment payment of principal to be made pursuant to a

Receipt) on that Note.

Notes in registered form may initially be issued (i) in the form of a global Note in registered form in an aggregate principal amount equal to the principal amount of the Notes of such Tranche or (ii) in the form of definitive Notes in registered form. Global Notes in registered form will be represented by a single, permanent global Note in fully registered form without Coupons, Receipts or Talons and will be deposited with a common depositary for Euroclear and Clearstream, Luxembourg and registered in the name of such common depositary or its nominee. Unless (i) both Euroclear and Clearstream, Luxembourg are closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or both Euroclear and Clearstream, Luxembourg announce their intention permanently to cease business or do in fact do so, and a replacement or replacements is or are not appointed by the relevant Issuer within 90 days from the commencement of such closure, announcement or cessation of business, (ii) an Event of Default has occurred and is continuing with respect to the Notes represented by such global Note in registered form or (iii) the relevant Issuer in its sole discretion notifies the Fiscal Agent that definitive Notes in registered form shall be delivered in exchange for such global Note in registered form, owners of beneficial interest in a global Note in registered form will not be entitled to have any portion of such global Note registered in their names, will not receive or be entitled to receive physical delivery of definitive Notes in registered form in exchange for their interests in a global Note in registered form and will not be considered to be the owners or holders of any Notes under the Fiscal Agency Agreement for the Notes. If so specified in the applicable Final Terms, definitive Notes in registered form will be exchangeable for, in whole or in part, interests in a global Note in registered form of the same Series upon written notification to the Fiscal Agent and surrender thereof made at any time at the office of the Fiscal Agent. Notes in registered form will not be exchangeable for Notes in bearer form.

Pursuant to the Fiscal Agency Agreement, the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a temporary common code and ISIN which are different from the common code and ISIN assigned to the Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

Any Note sold by a Dealer to a qualified institutional buyer within the meaning of Rule 144A will be delivered in definitive registered form or, after sufficient notice to the Registrar and if the necessary arrangements are made with DTC, in book-entry form through DTC.

In the case of Notes issued by LBHI with an original maturity of 183 days or more, and in the case of Notes issued with an original maturity of more than 365 days, the following legend will appear on all global Notes in bearer form, definitive Notes in bearer form, Coupons, Receipts and Talons: “Any United States person who holds this obligation will be subject to limitations under United States income tax laws, including the limitations provided in sections 165(j) and 1287(a) of the Internal Revenue Code.” The sections referred to provide that U.S. Holders (as defined under “United States Taxation” below), with certain exceptions, will not be entitled to deduct any loss on Notes, Coupons, Receipts or Talons and will not be entitled to capital gains treatment of any gain on any sale, disposition or payment of principal in respect of Notes, Coupons, Receipts or Talons.

In the case of Notes issued by LBHI with an original maturity of 183 days or less, the following legend will also appear on all global Notes, definitive Notes, Coupons, Receipts and Talons:

“By accepting this obligation, the holder represents and warrants that it is not a United States person (other than an exempt recipient described in section 6049(b)(4) of the Internal Revenue Code and the regulations thereunder) and that it is not acting for or on behalf of a United States person (other than an exempt recipient described in section 6049(b)(4) of the Internal Revenue Code and the regulations thereunder).”

LBTCBV may issue Notes denominated in Australian dollars in the Australian domestic capital markets (“*Australian Domestic Notes*”).

- will be issued in registered (or inscribed) form, constituted by a Deed Poll to be executed by LBTCBV and governed by the laws of New South Wales, Australia (the “*Deed Poll*”) and take the form of entries on a register to be maintained by an Australian registrar to be appointed by LBTCBV and specified in the applicable Final Terms (the “*Australian Registrar*”);

LBTCBV will apply to Austraclear for approval for each Series of Australian Domestic Notes to be eligible for lodgement in the Austraclear System. Such approval by Austraclear is not a recommendation or endorsement by Austraclear of such Australian Domestic Notes.

If accepted for admission to the respective system, interests in Australian Domestic Notes may be held through Euroclear or Clearstream, Luxembourg. In these circumstances, entitlements in respect of holdings of interests in such Australian Domestic Notes in Euroclear would be held in the Austraclear System by Westpac Custodian Nominees Limited as nominee of, or another nominee appointed by, Euroclear while entitlements in respect of holdings of interests in such Australian Domestic Notes in Clearstream, Luxembourg would be held in the Austraclear System by ANZ Nominees Limited as nominee of, or another nominee appointed by, Clearstream, Luxembourg.

The rights of a holder of interests in Australian Domestic Notes held through Euroclear or Clearstream, Luxembourg are subject to the respective rules and regulations for accountholders of Euroclear and Clearstream, Luxembourg, the terms and conditions of agreements between Euroclear and Clearstream, Luxembourg and their respective nominee and the rules and regulations of the Austraclear System.

In addition, any transfer of interests in Australian Domestic Notes which is held through Euroclear or Clearstream, Luxembourg will, to the extent such transfer will be recorded in the Austraclear System, be subject to the Corporations Act 2001 of the Commonwealth of Australia and the requirements for minimum consideration set out in Condition 1(j) (Australian Domestic Notes) of such Notes.

Ratings:

The Program has been rated:

[**Standard&Poor's**
Senior Debt (Long term) A
Subordinated debt A-
Senior Debt (Short term) A-1

An obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and

economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitment on the obligation is still strong. Negative means that a rating may be lowered.

A short-term obligation rated 'A-1' is rated in the highest category by Standard & Poor's. The obligor's capacity to meet its financial commitment on the obligation is strong.

Moody's

Senior Debt (Long term)	A1
Subordinated debt	A2
Debt ratings (Short term)	Prime-1

Obligations rated A are considered upper-medium grade and are subject to low credit risk. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category and the modifier 2 indicates a mid-range ranking.

Issuers (or supporting institutions) rated Prime-1 have a superior ability to repay short-term debt obligations.]

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference in each temporary or permanent global Note in bearer form, each global Note in registered form and will be attached to each definitive Note, in the latter case, only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the relevant Issuer and the relevant Dealer(s) at the time of issue but if not so permitted and agreed, such Terms and Conditions will be endorsed upon such definitive Note. The applicable Final Terms in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with such Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms or the relevant provisions thereof will be incorporated by reference in each temporary or permanent global Note and each global Note in registered form and endorsed on each definitive Note. Reference should be made to "Form of the Notes" above for a description of the content of Final Terms which will include the definitions of certain terms used in the following Terms and Conditions or specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series of Notes (the "Notes") issued and to be issued pursuant to the Amended and Restated Fiscal Agency Agreement dated August 26, 2005 (as amended, supplemented or replaced from time to time, the "Fiscal Agency Agreement") between, amongst others, Lehman Brothers Holdings Inc., a Delaware corporation ("LBHI"), Lehman Brothers Treasury Co. B.V., a private company incorporated with limited liability in The Netherlands ("LBTCBV"), Lehman Brothers Bankhaus AG a company incorporated in the Federal Republic of Germany ("LBB") JPMorgan Chase Bank as fiscal agent (the "Fiscal Agent", which expression shall include any successor fiscal agent), as registrar (the "Registrar") and as principal paying agent (the "Principal Paying Agent") and Kredietbank S.A. Luxembourgeoise (together with the Fiscal Agent in its capacity as Principal Paying Agent, the "Paying Agents", which expression shall include any additional or successor paying agents), provided that Australian Domestic Notes (as defined below) are issued pursuant to the Deed Poll (as defined below) as described in Condition 1(j) (Australian Domestic Notes). Unless otherwise specified in the applicable Final Terms, JPMorgan Chase Bank shall act as calculation agent (JPMorgan Chase Bank, or any other or additional calculation agent appointed from time to time by the Issuer, which may include any of the Dealers, the "Calculation Agent") for purposes of determining, among other things, the interest rates on Floating Rate Notes, pursuant to the terms of a calculation agency agreement (the "Calculation Agency Agreement") agreed to by the relevant Issuer, the Guarantor (if applicable) and the relevant Calculation Agent. The Notes (other than Australian Domestic Notes) have the benefit of a deed of covenant (as amended, supplemented or replaced from time to time, the "Deed of Covenant") dated August 26, 2005, executed by the Issuers.

The Notes are to be issued by LBHI (such Notes, including when acting through its London Branch "LBHI Notes") or LBTCBV ("LBTCBV Notes") or LBB (including when acting through its London Branch) ("LBB Notes"). The applicable Final Terms will specify which of LBHI, LBTCBV or LBB is the Issuer (the "Issuer"). Each LBTCBV Note or LBB Note (as the case may be) shall have the benefit of an unconditional guarantee of LBHI (in such capacity, the "Guarantor") as to, inter alia, the payment of principal (including premium, if any, and in the case of Zero Coupon Notes (as hereafter defined), the Accrual Yield Amount (as hereafter defined) payable in respect thereof) and interest, if any, in respect thereof, as evidenced by guarantees in respect of each of LBTCBV and LBB (in respect of each such Note, the "Guarantee", and together the "Guarantees") each dated August 26, 2005 as amended or supplemented from time to time, among the Guarantor and the third parties referred to therein.

Interest bearing definitive Notes in bearer form (unless otherwise indicated in the applicable Final Terms) have interest coupons ("Coupons") and, if indicated in the applicable Final Terms, talons for further Coupons ("Talons") attached on issue. Any reference herein to Coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons. Definitive Notes in bearer form repayable in instalments have receipts ("Receipts") for the payment of the instalments of principal (other than the final instalment) attached on issue.

The Final Terms in relation to this Note or the relevant provisions thereof is attached hereto, or is endorsed hereon and supplements these Terms and Conditions and may specify other terms and conditions

which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions. References herein to the “*applicable Final Terms*” are to the Final Terms or the relevant provisions thereof attached hereto or endorsed hereon.

As used herein, “*Series*” means each original issue of Notes together with any further issues expressed to form a single series with the original issue which are issued by the same Issuer and which are denominated in the same currency and which have the same Maturity Date, Interest Basis and interest payment dates (if any) (all as indicated in the applicable Final Terms) and the terms of which (except for the Issue Date, the Interest Commencement Date and/or the Issue Price (as indicated as aforesaid)) are otherwise identical (including whether or not the Notes are listed). As used herein, “*Tranche*” means all Notes of the same Series with the same Issue Date, Issue Price and Interest Commencement Date.

Copies of the Fiscal Agency Agreement, the form of Final Terms and each Calculation Agency Agreement are available for inspection and copies of each Final Terms are obtainable at the specified offices of the Fiscal Agent and each of the other Paying Agents, save that a Final Terms relating to an unlisted Note of any Series will only be available for inspection by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory to the relevant Paying Agent as to his identity. The holders of the Notes (the “*Noteholders*” or the “*Holders*”, which expression shall, in relation to any registered Notes and any Notes represented by a global Note, be construed as provided in Condition 1 (Form and Transfer) below), the holders of the Receipts (the “*Receiptholders*”) and the holders of the Coupons (the “*Couponholders*”, which expression shall, unless the context otherwise requires, include the holders of the Talons (the “*Talontholders*”)) are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Fiscal Agency Agreement, the Deed Poll (if applicable), the relevant Calculation Agency Agreement, if any, and the applicable Final Terms, which are binding on them. The Deed of Covenant is held by the Fiscal Agent and the Registrar.

Words and expressions defined in the Fiscal Agency Agreement or used in the applicable Final Terms (which term as used herein means, in relation to this Note, the Final Terms attached hereto) shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

a particular nominal amount of such Notes (in which regard any certificate or other document issued by Clearstream, Luxembourg and/or Euroclear, as the case may be, as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer, the Guarantor (if applicable), the Fiscal Agent and any Paying Agent as a Holder of such nominal amount of Notes (and the term “*Holder*” shall be construed accordingly) for all purposes other than with respect to the payment of principal (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount (as herein defined) payable in respect thereof) and interest, if any, and any other amounts payable, on such Notes, the right to which shall be vested, as against the Issuer, the Guarantor (if applicable), the Fiscal Agent and any Paying Agent, solely in the bearer of the temporary or permanent global Note or solely in the common depositary for Euroclear and Clearstream, Luxembourg or its nominee as the Registered Holder (as defined below) of the global Note in registered form in accordance with and subject to its terms and the Fiscal Agency Agreement. No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.

(j) *Australian Domestic Notes*

In the case of Notes denominated in Australian dollars and issued by LBTCBV in the Australian domestic capital markets as specified in the applicable Final Terms (“*Australian Domestic Notes*”), the following provisions of this Condition 1(j) (*Australian Domestic Notes*) shall apply in lieu of the foregoing provisions of this Condition 1 in the event of any inconsistency. Australian Domestic Notes will be debt obligations of LBTCBV owing under a separate deed poll to be executed by LBTCBV (as amended, supplemented or replaced from time to time, the “*Deed Poll*”) and will take the form of entries in a register (the “*Australian Register*”) to be maintained by an Australian registrar to be appointed by LBTCBV as specified in the applicable Final Terms (the “*Australian Registrar*”). Australian Domestic Notes will have the benefit of the Guarantee of the Guarantor. The Fiscal Agency Agreement is not applicable to Australian Domestic Notes.

Australian Domestic Notes will not be serially numbered. Each entry in the Australian Register constitutes a separate and individual acknowledgement to the relevant Noteholder of the indebtedness of LBTCBV to the relevant Noteholder. No certificate or other evidence of title will be issued by or on behalf of LBTCBV to evidence title to an Australian Domestic Note unless LBTCBV determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

No Australian Domestic Note will be registered in the name of more than four persons. A Note registered in the name of more than one person is held by those persons as joint tenants. Australian Domestic Notes will be registered by name only without reference to any trusteeship. The person registered in the Australian Register as a Noteholder of an Australian Domestic Note will be treated by LBTCBV and the Australian Registrar as absolute owner of that Australian Domestic Note and none of LBTCBV, the Guarantor or the Australian Registrar is, except as ordered by a court or as required by statute, obliged to take notice of any other claim to an Australian Domestic Note.

Conditions 1(c) (Coupons Attached) to 1(i) (Owner of Registered Notes) inclusive do not apply to Australian Domestic Notes. Australian Domestic Notes may be transferred in whole but not part.

Australian Domestic Notes will be transferable by duly completed and (if applicable) stamped transfer and acceptance forms in the form specified by, and obtainable from, the Australian Registrar or by any other manner approved by LBTCBV and the Australian Registrar. Notes entered in the Austraclear System (as defined below) will be transferable only in accordance with the Austraclear Regulations (as defined below).

Unless the Australian Domestic Notes are lodged in the Austraclear System, application for the transfer of Australian Domestic Notes must be made by the lodgment of a transfer and acceptance form with the Australian Registrar. Each transfer and acceptance form must be accompanied by such evidence (if any) as the Australian Registrar may require to prove the title of the transferor or the transferor’s right to transfer the Australian Domestic Note and be signed by both the transferor and the transferee.

Australian Domestic Notes may only be transferred in, to or from Australia if (a) the aggregate consideration payable by the transferee at the time of transfer is at least A\$500,000 (or the

equivalent in another currency and, in either case disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 of the Corporations Act 2001 of the Commonwealth of Australia, and (b) the transfer is in compliance with any other applicable laws, regulations or directives and does not require any document to be lodged or registered with the Australian Securities and Investments Commission. Australian Domestic Notes may only be transferred between persons in a jurisdiction or jurisdictions other than Australia if (a) a transfer and acceptance form is signed outside Australia, and (b) the transfer is in compliance with the laws of the jurisdiction in which the transfer takes place. A transfer to an unincorporated association is not permitted.

In this Condition 1(j) (Australian Domestic Notes):

Austraclear means Austraclear Limited (ABN 94 002 060 773).

Austraclear Regulations means the regulations known as the “*Austraclear System Regulations*” established by Austraclear (as amended or replaced from time to time) to govern the use of the Austraclear System.

Austraclear System means the system operated by Austraclear for holding securities and the electronic recording and settling of transactions in those securities between members of that system.

(k) *LBHI Definitive Notes*

In respect of any Notes issued by LBHI, for so long as any Notes are represented by a temporary or permanent global Note in bearer form interests in any such Note shall, at the request and expense of each Holder (with respect to its own Notes) be exchangeable for interests in definitive bearer Notes in each case, on or after the date (the “*Exchange Date*”) that is the first Business Day following the expiration of a period of 40 days after the original issue date of the Notes of such Tranche (or the “restricted period” within the meaning of U.S. Treasury Regulations Section 1.163-5(c)(2)(i)(D)7)).

2. Status of Notes and Guarantees

(a) *Status of Senior Notes and Senior Guarantees*

The Senior Notes and the Senior Guarantees will constitute direct, unconditional and (subject to the provisions set forth below in Condition 11 (Negative Pledge with respect to Senior Notes) and in the Fiscal Agency Agreement) unsecured obligations of the Issuer and the Guarantor, respectively, and will rank *pari passu* in right of payment among the Notes of such Issuer and the Guarantees, respectively, prior to the equity securities of the Issuer and the Guarantor (if applicable) and equally with all other unsecured and unsubordinated obligations of the Issuer and the Guarantor (if applicable) (subject, in the event of insolvency, to laws affecting creditors’ rights generally).

(b) *Status of Subordinated Notes and Subordinated Guarantees*

If the Notes and Guarantees are Subordinated Notes and Subordinated Guarantees, the Subordinated Notes and Subordinated Guarantees and (if applicable) the relative Coupons are direct, unsecured and subordinated obligations of the Issuer and the Guarantor (if applicable), respectively and rank *pari passu* among themselves and *pari passu* with all other present and future unsecured, unconditional and subordinated indebtedness of such Issuer and the Guarantor (if applicable), respectively.

The Notes and the Guarantees constituting part of the subordinated debt of an Issuer and Guarantor, respectively (the “*Subordinated Debt*”), will be subordinate and junior in the right of payment, to the extent and in the manner set forth in the Fiscal Agency Agreement, to all present or future Senior Debt. “*Senior Debt*” is defined to mean (a) any indebtedness for money borrowed or evidenced by bonds, notes, debentures or similar instruments, (b) any indebtedness under capitalized leases, (c) any indebtedness representing the

deferred and unpaid purchase price of any property or business, and (d) all deferrals, renewals, extensions and refundings of any such indebtedness or obligation; except that the following does not constitute Senior Debt: (i) indebtedness evidenced by the Subordinated Debt, and (ii) indebtedness which is expressly made equal in right of payment with the Subordinated Debt or subordinate and subject in right of payment to the Subordinated Debt. Additionally, in the case of LBHI, the following also does not constitute Senior Debt: (x) indebtedness for goods or materials purchased in the ordinary course of business or for services obtained in the ordinary course of business or indebtedness consisting of trade payables or (y) indebtedness which is subordinated to any obligation of LBHI of the type specified in clauses (a) through (d) above. The effect of clause (y) is that LBHI may not issue or assume any indebtedness for money borrowed which is junior to the Senior Debt and senior to the Subordinated Debt. The Fiscal Agency Agreement does not limit the amount of Senior Debt or other indebtedness that may be issued.

Subordinated Notes issued by LBTCBV will be subordinated and junior in right of payment to the prior payment in full of all Senior Creditors of LBTCBV. “*Senior Creditors*” means all unsubordinated creditors of LBTCBV and all subordinated creditors of LBTCBV whose claims against LBTCBV rank or are expressed to rank ahead of the claims of the Holders of Subordinated Notes.

In respect to Subordinated Notes issued by LBB, the subordination is limited to events of liquidation, bankruptcy, composition or other procedures to avoid bankruptcy. The right to set-off subordinated claims against claims of LBB is excluded and no contractual security is or will be provided by LBB or by a third party. In accordance with the provisions of Section 10 Paragraph 5 a of the German Banking Supervisory Act (*Gesetz über das Kreditwesen*), the subordination cannot be limited subsequently and neither the term of the Notes nor the term of notice of a call can be shortened. An early repayment of principal must be repaid to LBB despite agreement to the contrary unless the repaid amount will be replaced by LBB by other at least equivalent liable own funds for banking supervisory purposes.

In the event (a) of any insolvency or bankruptcy proceedings, or any receivership, liquidation, reorganization or other similar proceedings in respect of the Issuer or the Guarantor (if applicable) or a substantial part of its property, (b) that (i) a default shall have occurred with respect to the payment of principal of or interest on or other monetary amounts due and payable on any Senior Debt or (ii) there shall have occurred an event of default (other than a default in the payment of principal of or interest or other monetary amounts due and payable) with respect to any Senior Debt, as defined therein or in the instrument under which the same is outstanding, permitting the holder or holders thereof to accelerate the maturity thereof (with notice or lapse of time, or both), and such event of default shall have continued beyond the period of grace, if any, in respect thereof, and such default or event of default shall not have been cured or waived or shall not have ceased to exist, or (c) that the principal of and accrued interest on the Subordinated Debt shall have been declared due and payable upon an Event of Default under the Fiscal Agency Agreement and such declaration shall not have been rescinded and annulled as provided therein, then the holders of all Senior Debt shall first be entitled to receive payment of the full amount unpaid thereon in cash before the holders of any of the Subordinated Debt are entitled to receive a payment on account of the principal, premium, if any, or interest, if any, on such Subordinated Debt.

3. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Fixed Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date (if that does not fall on an Interest Payment Date).

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date or the Maturity Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, the expression “*Fixed Interest Period*” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

For the purposes of these Terms and Conditions:

“*Fixed Day Count Fraction*” means, in respect of the calculation of an amount for any period of time (the “*Calculation Period*”):

- (i) if “*Actual/Actual (ISMA)*” is specified in the applicable Final Terms:
 - (a) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year; and
 - (b) where the Calculation Period is longer than one Regular Period, the sum of:
 - (A) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (B) the actual number of days in such Calculation Period falling in the next Regular Period divided by the product of (a) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year;
- (ii) if “*30/360*” is specified in the applicable Final Terms, the number of days in the Calculation Period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and

“*Regular Period*” means:

- (i) in the case of Notes where interest is scheduled to be paid only by means of regular payments, each period from and including the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from and including one Interest Payment Date to but excluding the next Interest Payment Date;
- (ii) in the case of Notes where, apart from the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where “*Regular Date*” means the day and month (but not the year) on which any Interest Payment Date falls; and
- (iii) in the case of Notes where, apart from one Interest Period other than the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where “*Regular Date*” means the day and month (but not the year) on which any Interest Payment Date falls other than the Interest Payment Date falling at the end of the irregular Interest Period.

“*sub unit*” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes and Index-Linked Interest Notes*

(i) Interest Payment Dates

Each Floating Rate Note and Index-Linked Interest Note bears interest on its nominal amount (or, if it is a Partly Paid Note, on the amount paid up) from and including the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms (the period from and including the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from and including an Interest Payment Date to but excluding the next Interest Payment Date each being an “*Interest Period*”); or
- (B) if no express Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an “*Interest Payment Date*”) which falls the number of months or other period specified as the Interest Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

If a Business Day Convention is specified in the applicable Final Terms and if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Interest Periods are specified in accordance with Condition 3(b)(i)(B) (Interest Payment Dates) above, the Floating Rate Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the number of months or other period specified as the Interest Period in the applicable Final Terms after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the preceding Business Day.

In these Terms and Conditions:

“*Business Day*” means:

- (A) in relation to any sum payable in euro, any day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System is open (a “*TARGET Settlement Day*”) and a day on which commercial banks and foreign exchange markets settle payments generally in London and each (if any) Additional Business Centre; and
- (B) in relation to any sum payable in a currency other than euro, a day on which commercial banks and foreign exchange markets settle payments generally in London, in the Principal Financial Centre of the relevant currency and in each (if any) Additional Business Centre; and

“*Principal Financial Centre*” means, in relation to any currency, the principal financial centre for that currency provided, however, that:

- (i) in relation to euro, it means the principal financial centre of such Member State of the European Communities as is selected (in the case of a payment) by the payee or (in the case of a calculation) by the Calculation Agent; and
- (ii) in relation to Australian dollars, it means either Sydney or Melbourne, as selected (in the case of a payment) by the payee or (in the case of a calculation) by the Calculation Agent.

(ii) *Interest Payments*

Interest will be paid subject to and in accordance with the provisions of Condition 7 (Payment of Principal and Interest; Paying Agents). Interest will cease to accrue on each Floating Rate Note or Index-Linked Interest Note (or, in the case of the redemption of part of a Note, that part only of such Note) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused in which event interest will continue to accrue (as well after as before any judgment) until whichever is the earlier of (A) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the Holder of such Note and (B) the day on which the Fiscal Agent has notified the Holder thereof (either in accordance with Condition 15 (Notices) or individually) of receipt of all sums due in respect thereof up to that date.

(iii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index-Linked Interest Notes will be determined in the manner specified in the applicable Final Terms, including where the Rate of Interest is to be determined by reference to an index and/or formula or otherwise.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any) and/or multiplied by the Multiplier (if any). For the purposes of this sub-paragraph (A), “*ISDA Rate*” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent specified in the applicable Final Terms under an interest rate swap transaction if the Calculation Agent was acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), “*Floating Rate*”, “*Calculation Agent*” “*Floating Rate Option*”, “*Designated Maturity*”, and “*Reset Date*” have the meanings given to those terms in the ISDA Definitions, where “*ISDA Definitions*” means the ISDA 2000 Definitions (as amended and updated as at the date of issue of the first Tranche of the Notes of the relevant Series (as specified in the relevant Final Terms) as published by the International Swaps and Derivatives Association, Inc. (formerly the International Swap Dealers Association, Inc.)).

When this sub-paragraph (A) applies in respect of each relevant Interest Period, the Calculation Agent will be deemed to have discharged its obligations under Condition 3 (b)(iii) (Rate of Interest) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (A).

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations;

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date plus or minus (as indicated in the applicable Final Terms) the Margin (if any) and/or multiplied by the Multiplier (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If, in respect of any Interest Period, the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three of such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Relevant Financial Centre office of each of the Reference Banks (as defined below) to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Relevant Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If the provisions of the preceding paragraph are applicable and on the relevant Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately 11.00 a.m. local time in the Principal Financial Centre of the Specified Currency on such Interest Determination Date, deposits in the Specified Currency, in an amount approximately equal to the nominal amount of the relevant Tranche, for a period equal to the relevant Interest Period plus or minus (as appropriate) the Margin (if any) or, if only one of the Reference Banks provides the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency, in an amount approximately equal to the nominal amount of the relevant Tranche, for a period equal to the relevant Interest Period or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to the relevant Interest Period, at which, at approximately 11.00 a.m. local time in the Principal Financial Centre of the Specified Currency on the relevant Interest Determination Date, any one or more banks in the Principal Financial Centre of the Specified Currency (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading European banks plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date at which the Rate of Interest could be determined in accordance with the foregoing provisions (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In this Condition 3 (Interest), the expression “*Reference Banks*” means, in the case of (1) above, those banks whose offered rates were used to determine such quotation when such quotation last appeared on the

Relevant Screen Page and, in the case of (2) above, those banks whose offered quotations last appeared on the Relevant Screen Page when no fewer than three such offered quotations appeared.

(iv) *Determination of Rate of Interest and Calculation of Interest Amount*

The Calculation Agent will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. The Calculation Agent will notify the Fiscal Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same. The Fiscal Agent will calculate the amount of interest payable in respect of each Specified Denomination (each an “*Interest Amount*”) for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to a Specified Denomination, multiplying such sum by the relevant Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards).

For the purposes of these Terms and Conditions, “*Day Count Fraction*” means, in respect of the calculation of an amount of interest for any Interest Period or for any other period of time (such Interest Period or other period, the “*Calculation Period*”), such day count fraction as may be specified in these Conditions on the relevant Final Terms and:

- (A) if “*Actual/365*” or “*Actual/Actual (ISDA)*” is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (x) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (y) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (B) if “*Actual/365 (Fixed)*” is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365;
- (C) if “*Actual/360*” is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 360;
- (D) if “*Actual/Actual (ISMA)*” is specified in the applicable Final Terms:
 - (i) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year; and
 - (ii) where the Calculation Period is longer than one Regular Period, the sum of:
 - (a) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (b) the actual number of days in such Calculation Period falling in the next Regular Period divided by the product of (a) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year;
- (E) if “*30/360*” is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Calculation Period is the 31st day of a month but the first day of the Calculation Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Calculation Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month); and
- (F) if “*30E/360*” or “*Eurobond Basis*” is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360 (the number of days to be calculated on the basis

of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Calculation Period unless, in the case of an Calculation Period ending on the Maturity Date, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(v) *Notification of Rate of Interest and Interest Amount*

The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each listing authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period.

(vi) *Minimum and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the above provisions is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate. If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the above provisions is greater than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

(vii) *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 3 (Interest), whether by the Fiscal Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor (if applicable), the Fiscal Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Couponholders and Receiptholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor (if applicable), the Noteholders, the Receiptholders or the Couponholders shall attach to the Fiscal Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Dual Currency Notes*

In the case of Dual Currency Notes, if the rate or amount of interest fails to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms and payment shall otherwise be made in accordance with Condition 7 (Payment of Principal and Interest; Paying Agents).

(d) *Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes) interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

4. Extendible and Renewable Notes

(a) *Extendible Notes*

The applicable Final Terms will indicate whether this Note is an Extendible Note. An “*Extendible Note*” is a Note as to which the Issuer will have the option to extend the original Maturity Date of such Note. The applicable Final Terms will set forth the number of periods for which the maturity of such Note is

extendible, the date beyond which the final maturity may not be extended, the procedure for notification to the Noteholders of such extension, the procedure, if any, for Noteholders to elect repayment of such Notes in the event of such extension and other details of the Extendible Notes. Extendible Notes may only be issued in registered form.

(b) *Renewable Notes*

The applicable Final Terms will indicate whether this Note is a Renewable Note. A “*Renewable Note*” is a Note, the Maturity Date of which will be automatically extended for such periods and at such times as are set forth in the applicable Final Terms unless the Holder of such Note elects to terminate the automatic extension of such Note. The applicable Final Terms will set forth the periods and times for which the maturity of such Note is to be automatically renewed, the date beyond which the maturity may not be so renewed, the procedures for Noteholders to elect repayment of such Notes in the event of such renewal and other details of the Renewable Notes. Renewable Notes may only be issued in registered form.

5. Zero Coupon Notes

The applicable Final Terms will indicate whether this Note is a Zero Coupon Note.

(a) *Early redemption of Zero Coupon Notes*

Unless otherwise specified in the applicable Final Terms, the principal amount payable on redemption of a Zero Coupon Note at any time before the Maturity Date shall be an amount (the “*Accrual Yield Amount*”) equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which the Note becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the applicable Final Terms for the purposes of this Condition 5 (Zero Coupon Notes) or, if none is so specified, a Day Count Fraction of 30E/360.

(b) *Late payment on Zero Coupon Notes:*

If the principal amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the principal amount shall thereafter by an amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

6. Payment Currency

(a) *Payment in Specified Currency*

Except as provided below or in the applicable Final Terms, payment of the principal of (including premium, if any, and in the case of a Zero Coupon Note, the Accrual Yield Amount payable in respect thereof) and interest, if any, on each Note will be made in the Specified Currency of such Note (or, if the Specified Currency at the time of such payment is no longer used by the government of the country issuing

such currency or for the settlement of transactions by public institutions of or within the international banking community, in such other coin or currency of the country which issued the Specified Currency which at the time of payment is used by the government of the country issuing such currency and for the settlement of transactions by public institutions of or within the international banking community).

(b) *Specified Currency Unavailable*

Except as provided in paragraph 6(a) (Payment in Specified Currency), if the Specified Currency is unavailable due to the imposition of exchange controls or other circumstances beyond the control of the Issuer, or is no longer used by the government of the country which issued such currency or for the settlement of transactions by public institutions of or within the international banking community, such Issuer will be entitled to make such payments in such coin or currency of the United States as is at the time of payment legal tender for the payment of public and private debts on the basis of the most recently available Market Exchange Rate (defined below) for such Specified Currency preceding the day on which such payment is due. Any payment made under such circumstances in U.S. dollars will not constitute an Event of Default (as defined in Condition 10 (Events of Default)) under the Notes. “*Market Exchange Rate*” means the noon buying rate in New York City for cable transfers in non-U.S. currencies as certified for customs purposes by the Federal Reserve Bank of New York for the applicable Specified Currency.

(c) *Redenomination of Specified Currency*

Subject to Condition 19 (Redenomination, Renominalisation and Reconventioning), in the event of an official redenomination of the Specified Currency the obligations of the Issuer to make payments in or with reference to such currency shall, in all cases, be deemed immediately following such redenomination to be obligations to make payments in or with reference to that amount of redenominated currency representing the amount of such currency immediately before such redenomination. Except to the extent the Notes provide for Index-Linked Interest or an Index-Linked Redemption Amount in the applicable Final Terms provide for the adjustment of the amount of principal or interest payable in respect of such Notes pursuant to application of the formulas provided for in the applicable Final Terms, no adjustment will be made to any amount payable under such Notes as a result of any change in the value of the Specified Currency thereof relative to any other currency due solely to fluctuations in exchange rates.

(d) *Determinations Conclusive*

All determinations referred to in paragraphs 6(b) (Specified Currency Unavailable) or 6(c) (Redenomination of Specified Currency) above made by the Fiscal Agent shall be at its sole discretion and shall, in the absence of manifest error, be conclusive for all purposes and binding on the Issuer and all Holders of Notes and any Coupons, Receipts or Talons relating thereto. Holders of Notes and any Coupons, Receipts or Talons relating thereto shall not be entitled to make any claim whatsoever against the Issuer on account of or in relation to such determinations regardless of any errors or omissions with respect thereto which may be made by the Fiscal Agent.

7. Payment of Principal and Interest; Paying Agents

(a) *Place of Payment*

No payment of principal (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) or interest, if any, in respect of any Note in bearer form (and any Notes in registered form issued by LBHI and having a maturity of 183 days or less) will be made at an office of LBHI, LBTCBV or LBB or any agent of LBHI, LBTCBV or LBB in the United States or by check mailed to any address in the United States or by transfer to an account maintained with a bank located in the United States, except as may be permitted by United States tax law in effect at the time of such payment without detriment to LBHI, LBTCBV or LBB. Notwithstanding the foregoing, such payments may be made in U.S. dollars at an office or agency located in the United States, if (but only if) the Specified Currency is the U.S. dollar and payment of the full amount so payable in U.S. dollars at each office of the Fiscal Agent and of each Paying Agent outside the United States appointed and maintained pursuant to the

Fiscal Agency Agreement is illegal or effectively precluded by exchange controls or other similar restrictions and the relevant payment is permitted by applicable U.S. law. Any payment made under such circumstances will not constitute an Event of Default under the Notes. As used in this Condition 7 (Payment of Principal and Interest; Paying Agents), “*United States*” means the United States of America (including the States and the District of Columbia); and its possessions include Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and the Northern Mariana Islands.

(b) *Payments on Global Notes*

The principal (including premium, if any, and in the case of a Zero Coupon Note, the Accrual Yield Amount payable in respect thereof) and interest, if any, due in respect of any portion of a temporary global Note in bearer form will be paid in immediately available funds to each of Euroclear and Clearstream, Luxembourg with respect to that portion of such temporary global Note held for its account but only upon receipt by the Fiscal Agent of written certification with respect to such portion from Euroclear or Clearstream, Luxembourg, as the case may be, delivered prior to each such date in the form required by the Fiscal Agency Agreement, dated no earlier than such payment date, which certificate must be based on certifications provided to it by its account holders as to non-U.S. beneficial ownership of interests in such temporary global Note as required by U.S. Treasury regulations and as set forth in the Fiscal Agency Agreement. Payments of principal (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, due in respect of any portion of a permanent global Note in bearer form or a global Note in registered form will be made in immediately available funds to each of Euroclear and Clearstream, Luxembourg as is appropriate with respect to the portion of such permanent global Note or a global Note in registered form, as the case may be, held for its account without certification as aforesaid. Each of Euroclear and Clearstream, Luxembourg will undertake in such circumstances to credit any such amounts received by it to the respective accounts of the persons who are the owners of such interests on the date on which such amounts are paid. Any such amounts so received by Euroclear and Clearstream, Luxembourg and not so paid shall be returned to the Fiscal Agent immediately prior to the expiration of two years after the receipt thereof.

(c) *Payments on Definitive Bearer Notes*

Any interest on definitive Notes in bearer form (and any Notes in registered form issued by LBHI and having a maturity of 183 days or less) of a Series shall be payable by check mailed to an address outside the United States or by wire transfer to an account maintained outside the United States upon surrender of any applicable Coupon; payment of instalments of principal (if any), shall be payable by check mailed to an address outside the United States or by wire transfer to an account maintained outside the United States upon surrender of the applicable Receipt and presentation of the Note to which such Receipt relates (without which presentation such Receipt shall not be valid); and principal (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) on definitive Notes in bearer form of such Series at their maturity shall be payable by check or by wire transfer upon surrender of such Notes, in each case at such offices or agencies of the Fiscal Agent or any Paying Agent outside the United States as LBHI, LBTCBV or LBB may from time to time designate, unless LBHI, LBTCBV or LBB shall have otherwise instructed the Fiscal Agent, or additionally or alternatively, in such other manner as may be set forth or provided for in the applicable Final Terms.

(d) *Payments on Definitive Registered Notes*

Any interest (other than interest payable at maturity or upon redemption) on definitive Notes in registered form (other than any Notes in registered form issued by LBHI and having a maturity of 183 days or less) of a Series shall be payable by check or (if a Registered Holder shall have designated an account to which payment should be made at least 15 calendar days prior to the date on which payment is due) by wire transfer, to the Holders in whose name such definitive Notes are registered (“*Registered Holders*”) at the close of business on the 15th calendar day (whether or not a Business Day) preceding the date such interest is due and any principal (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, payable at maturity or upon redemption of definitive

Notes in registered form of a Series shall be payable by check or (subject as aforesaid) by wire transfer upon surrender of such Notes, to the Registered Holders, in each case at such offices or agencies of any Paying Agent as LBHI, LBTCBV or LBB may from time to time designate, unless LBHI, LBTCBV or LBB shall have otherwise instructed the Fiscal Agent, or additionally or alternatively, in such other manner as may be set forth or provided for in the applicable Final Terms. If registered Notes are issued, a register will be maintained in accordance with the Fiscal Agency Agreement.

(e) *Payments on Non-Business Days*

Subject to Condition 3(b)(i) (Interest Payment Dates), if any date for payment of any amount in respect of any Note, Receipt or Coupon is not a business day, then the payment to be made on such date may be made on the next day which is a business day, with the same force and effect as if made on the due date. As used in this Condition 7(e) (Payments on Non-Business Days), the term “*business day*” means any day which is both a Business Day (as defined in Condition 3 (Interest)) and, in the case of any Note in bearer form, a day on which commercial banks and foreign exchange markets settle payments in the relevant place of presentation of such Note.

(f) *Stamp Duties, Etc.*

LBHI, LBTCBV and LBB will pay all stamp and other duties, if any, which may be imposed by the United States, The Netherlands or the Federal Republic of Germany or any political subdivision or taxing authority thereof with respect to the execution and delivery of the Fiscal Agency Agreement or the issuance of the Notes.

(g) *Exchange of Coupons and Talons*

On and after the Interest Payment Date on which the final Coupon on any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to and including the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 17 (Prescription). Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the related Coupon sheet matures.

(h) *Fiscal and Paying Agents*

The names of the initial Fiscal Agent and Paying Agents and their initial specified offices are set forth below. LBHI, LBTCBV and LBB have initially designated the Fiscal Agent, acting through its principal offices in London, as its Principal Paying Agent for the Notes outside the United States. The Paying Agent located in London is also referred to herein as the “Principal Paying Agent”. LBHI, LBTCBV and LBB have covenanted that until the Notes of a Series have been delivered to the Fiscal Agent for cancellation, or monies sufficient to pay the principal (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, on the Notes of such Series will have been made available for payment and either paid or returned to the Issuer as provided in the Notes, there will at all times be (i) a Paying Agent in a Western European city, (ii) if and for so long as the Notes of any Series are listed on the Luxembourg Stock Exchange and/or are admitted to trading and/or quotation by any other listing authority, stock exchange and/or quotation system, a Paying Agent with a specified office in Luxembourg and/or in such other place as may be required by the rules of such other listing authority, stock exchange and/or quotation system and (iii) a paying agent in an EU Member State that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive. A notice of any change of the Fiscal Agent, Principal Paying Agent or Paying Agents will be published in a newspaper having general circulation in Luxembourg, which is expected to be the *d’Wort*.

(i) *Payments in respect of Australian Domestic Notes*

The Australian Registrar will act (through an office in Sydney) as principal paying agent for the Australian Domestic Notes pursuant to an Agency and Registry Services Agreement (as amended, supplemented or replaced from time to time, the “*Agency and Registry Services Agreement*”) to be entered into between LBTCBV, the Australian Registrar and (depending on the identity of the Australian Registrar) an administration agent appointed by LBTCBV (“*Australian Administration Agent*”) as described in the applicable Final Terms. If required, the Australian Administration Agent will act as the agent of LBTCBV for certain purposes pursuant to an Issuing and Payment Administration Agreement to be entered into between LBTCBV and the Australian Administration Agent (as amended, supplemented or replaced from time to time, the “*Issuing and Payment Administration Agreement*”).

Payments of principal and interest will be made in Sydney in Australian dollars to the persons registered at the close of business on the relevant Record Date (as defined below) as the holders of such Notes, subject in all cases to normal banking practice and all applicable laws and regulations. Payment will be made by check drawn on the Sydney branch of an Australian bank despatched by post on the relevant payment day at the risk of the Noteholder or, at the option of the Noteholder, in the case of principal or interest, by the Australian Registrar giving in Sydney irrevocable instructions for the effecting of a transfer of the relevant funds to an Australian dollar account in Australia specified by the Noteholder to the Australian Registrar, or in any other manner in Sydney which the Australian Registrar and the Noteholder agree.

In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Registrar gives irrevocable instructions in Sydney for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Noteholder and, in the case of accounts maintained in Australia, reaching the account on the same day as the day on which the instructions are given.

If a check posted or an electronic transfer for which irrevocable instructions have been given by the Australian Registrar is shown, to the satisfaction of the Australian Registrar, not to have reached the Noteholder and the Australian Registrar is able to recover the relevant funds, the Australian Registrar may make such other arrangements as it thinks fit for the effecting of the payment in Sydney.

Interest will be payable in the manner specified in Condition 3 (Interest) above, to the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date and a check will be made payable to the Noteholder (or, in the case of joint Noteholders, to the first-named) and sent to his registered address, unless instructions to the contrary are given by the Noteholder (or, in the case of joint Noteholders, by all such Noteholders) in such form as may be prescribed by the Australian Registrar. Payment of principal will be made to, or to the order of, the persons who are registered as Noteholder at the close of business in Sydney on the relevant Record Date, subject, if so directed by the Australian Registrar, to receipt from them of such instructions as the Australian Registrar may require.

In this Condition 7(i) (Payments in respect of Australian Domestic Notes), “*Record Date*” means, in the case of payments of principal or interest, the close of business in Sydney on the date falling 8 calendar days before each Interest Payment Date and the Maturity Date (as the case may be).

8. Repayment, Redemption and Repurchase

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency (except as otherwise provided in Condition 6 (Payment Currency)). Unless otherwise specified in the applicable Final Terms, the Final Redemption Amount shall be 100% of the Aggregate Nominal Amount outstanding of each Note.

(b) *Instalment Notes*

If the Notes are repayable in instalments, they will be repaid in the Instalment Amounts on the Instalment Dates specified in the applicable Final Terms.

(c) *Redemption for Tax Reasons*

The Notes may be redeemed prior to their Maturity Date for tax reasons as provided in Condition 9 (Payments of Additional Amounts; Tax Redemption).

(d) *Redemption at the Option of the Issuer*

If so specified in the applicable Final Terms, the Issuer may, having (unless otherwise specified in the applicable Final Terms) given not more than 60 nor less than 30 days' notice to the Holders of the Notes in accordance with Condition 15 (Notices) (which notice shall be irrevocable), redeem all or only some of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together with accrued interest (if any) to the date fixed for redemption (which date, in the case of Floating Rate Notes or Index-Linked Interest Notes, must be an Interest Payment Date). If the Notes are to be redeemed in part only on any date in accordance with this Condition 8(d) (Redemption at the Option of the Issuer), the Notes to be redeemed shall be in an amount at least equal to the Minimum Redemption Amount and not greater than the Higher Redemption Amount (in each case as may be specified in the applicable Final Terms) and shall be selected by the drawing of lots in such place as the Fiscal Agent approves and in such manner as the Fiscal Agent considers appropriate, subject to compliance with applicable law and the rules of each listing authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation, and the notice to Noteholders referred to in this Condition 8(d) (Redemption at the Option of the Issuer) shall specify the serial numbers of the Notes so to be redeemed.

(e) *Redemption at the Option of the Noteholders*

If and to the extent specified in the applicable Final Terms, upon the Holder of any Note giving to the Issuer in accordance with Condition 15 (Notices) not more than 60 nor less than 30 days' notice (unless otherwise specified in the applicable Final Terms), which notice shall be irrevocable, the Issuer will, upon the expiry of such notice, redeem subject to, and in accordance with, the terms specified in the applicable Final Terms in whole or in part such Note (and, if in part, in an amount at least equal to the Minimum Redemption Amount and not greater than the Higher Redemption Amount) on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together with accrued interest (if any) to the date fixed for redemption.

(f) *Early Redemption Amounts*

For the purposes of paragraph 8(c) (Redemption for Tax Reasons) above and Conditions 9 (Repayment of Additional Amounts; Tax Redemption) and 10 (Events of Default), the Notes will be redeemed at an amount (the "*Early Redemption Amount*") calculated as follows (unless otherwise specified in the applicable Final Terms):

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of Notes with a Final Redemption Amount which is or may be less or greater than the Issue Price, or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount set out in, or determined in the manner set out in, the applicable Final Terms or, if no such amount or manner is set out in the Final Terms, at their principal amount; or
- (iii) in the case of Zero Coupon Notes, at their Accrual Yield Amount.

(g) *Purchases*

The Issuer or any of its subsidiaries or affiliates may at any time purchase Notes (provided that, in the case of definitive Notes in bearer form, all unmatured Receipts and Coupons appertaining thereto are surrendered therewith) in the open market or by tender at any price. Notes purchased as aforesaid may, at the option of the purchaser thereof, be held, resold or surrendered for cancellation.

(h) *Cancellation*

All Notes redeemed in full by the Issuer will be cancelled forthwith (together with all unmatured Receipts and Coupons surrendered therewith or attached thereto) and may not be reissued or resold.

(i) *Procedure for Payment upon Redemption*

If notice of redemption has been given in the manner set forth herein, the Notes of a Series to be redeemed shall become due and payable on the redemption date specified in such notice and upon presentation and surrender of the Notes at the place or places specified in such notice, together with all appurtenant Coupons and Talons, if any, maturing subsequent to the redemption date, the Notes shall be paid and redeemed by the Issuer thereof at the places and in the manner and currency therein specified and at the redemption price therein specified together with accrued interest, if any, to the redemption date. If any Fixed Rate Note (other than an Index-Linked Redemption Amount Note or a Dual Currency Note) surrendered for redemption shall not be accompanied by all appurtenant Coupons, if any, maturing after the redemption date (which expression shall include Coupons which are to be issued on exchange of Talons which will have matured on or before the relevant redemption date), such Note may be paid after deducting from the amount otherwise payable an amount equal to the face amount of all such missing Coupons (or, in the case of payment not being made in full, that proportion of the full amount of such missing unmatured Coupons which the sum so paid bears to the total amount due) or the surrender of such missing Coupon or Coupons may be waived by the Issuer, the Guarantor, if applicable, and the Fiscal Agent if they are furnished with such security or indemnity as they may require to save each of them and each other paying agent of the Issuer and, if applicable, the Guarantor harmless. If a deduction is made from the redemption price in the case of any such missing Coupon and thereafter, but prior to five years after the redemption date, the bearer of such Coupon shall surrender such Coupon at a place specified for redemption, such bearer shall be entitled to receive the amount so deducted with respect to such Coupon. Upon any Fixed Rate Note becoming due and payable prior to its Maturity Date, all unmatured Talons, if any, appertaining thereto and maturing on or after such due date will become void and no further Coupons will be issued in respect thereof. Any unmatured Coupons and Talons, whether attached to or missing from any Floating Rate Note, Dual Currency Note or Index-Linked Note surrendered for redemption, will become void at the redemption date for such Note. From and after the redemption date, if monies for the redemption of Notes called for redemption shall have been made available at the corporate trust office of the Fiscal Agent for redemption on the redemption date, the Notes called for redemption shall cease to bear interest (and in the case of Zero Coupon Notes, cease to increase the Accrual Yield Amount payable in respect thereof), and the only right of the Holders of such Notes shall be to receive payment of the redemption price together with accrued interest, if any, to the redemption date as aforesaid.

9. Payment of Additional Amounts; Tax Redemption

(a) *Additional Amounts*

The Issuer or the Guarantor, as the case may be, will pay, subject to certain exceptions set forth below and to the right of redemption as provided in Condition 9(b) (Tax Redemption) below, to a Holder of a Note, Coupon or Receipt such additional amounts ("*Additional Amounts*") as may be necessary in order that every net payment of the principal of (including premium, if any, and in the case of a Zero Coupon Note, the Accrual Yield Amount payable in respect thereof) and interest, if any, on any Note, Coupon or Receipt appertaining thereto, after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon such Holder, or by reason of the making of such payments, by the country in which such Issuer or the Guarantor (as the case may be) is organized or in which

such payments are regarded as being sourced, or any taxing authority thereof or therein, will not be less than the amount provided for in such Note, such Coupon or in such Receipt to be then due and payable. Neither the Issuer nor the Guarantor, as the case be, shall be required, however, to make any payment for any Additional Amounts for or on account of:

- (i) any tax, assessment or other governmental charge which would not have been imposed but for (A) the existence of any present or former connection between such Holder (or between a fiduciary, settlor, beneficiary of, member or shareholder of, or possessor of a power over, such Holder, if such Holder is an estate, trust, partnership or corporation) and the jurisdiction in which such Issuer or the Guarantor, as the case may be, is organized or in which such payments are regarded as being sourced, including, without limitation, such Holder (or such fiduciary, settlor, beneficiary, member, shareholder or possessor) being or having been a citizen or resident or treated as a resident thereof or being or having been engaged in trade or business or present therein, or having or having had a permanent establishment therein or (B) the presentation of a Note or any Coupon or Receipt appertaining thereto for payment on a date more than 10 days after the Relevant Date (as defined below);
- (ii) any estate, inheritance, gift, sales, transfer, excise, personal property or similar tax, assessment or other governmental charge;
- (iii) in the case of any tax imposed by the United States, any tax, assessment or other governmental charge imposed by reason of such Holder's past or present status as a passive foreign investment company, a controlled foreign corporation, a personal holding company or foreign personal holding company with respect to the United States, as a private foundation or other tax exempt organization for United States federal income tax purposes, or as a corporation which accumulates earnings to avoid United States federal income tax;
- (iv) any tax, assessment or other governmental charge which is payable otherwise than by withholding from payment of principal of, or interest on, such Note, Coupon or Receipt;
- (v) any tax, assessment or other governmental charge required to be withheld by any Paying Agent from any payment of principal of, or interest on, any Note, Coupon or Receipt (A) if such payment can be made without withholding by any other Paying Agent or (B) in the case of any tax imposed by the United Kingdom, which is presented for payment in the United Kingdom;
- (vi) any tax, assessment or other governmental charge which would not have been imposed but for the failure to comply with certification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connections with the relevant tax authority of the Holder or beneficial owner of such Note, Coupon or Receipt, if such compliance is required by statute or by regulation as a precondition to relief or exemption from such tax, assessment or other governmental charge;
- (vii) in the case of any tax imposed by the United States, any tax, assessment or other governmental charge imposed on (A) interest received by a Holder or beneficial owner of a Note, Coupon or Receipt that is a 10% shareholder (as defined in Section 871 (b) (3) (B) of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the regulations that may be promulgated thereunder) of LBHI or (B) interest that is treated as contingent interest described in Section 871(h)(4) of the Code;
- (viii) any withholding or deduction imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income;
- (ix) a Noteholder, Receiptholder or Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to, or arranging to receive payment through, another Paying Agent in a Member State of the EU, or

(x) any combination of items (i) through (ix);

nor shall any Additional Amounts be paid to any Holder who is a fiduciary or partnership or other than the sole beneficial owner of such Note, Coupon or Receipt appertaining thereto to the extent that a beneficiary or settlor with respect to such fiduciary, or a member of such partnership or a beneficial owner thereof would not have been entitled to the payment of such Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of the Note or any Coupon or Receipt appertaining thereto.

The term “*Relevant Date*” means either (i) the date on which such payment first becomes due or (ii) if the full amount of the moneys payable has not been received by the Fiscal Agent on or prior to such due date, the date on which all moneys then due for payment shall have been so received and notice to that effect shall have been duly given to the Noteholders in accordance with Condition 15 (Notices).

(b) *Tax Redemption*

Subject to the conditions described below, the Notes of any Series may be redeemed, as a whole but not in part, at the option of the Issuer (or, in the case of LBTCBV Notes and LBB Notes, at the option of the Guarantor), upon not more than 60 days’ nor less than 30 days’ prior notice (given in accordance with Condition 15 (Notices)) to the Holders thereof at a redemption price equal to the Early Redemption Amount (as defined in Condition 8(f) (Early Redemption Amount)), together with interest accrued, if any, to but excluding the date fixed for redemption (which date, in the case of Floating Rate Notes or Index-Linked Interest Notes, must be an Interest Payment Date), if on the next succeeding Interest Payment Date the Issuer (or, in the case of LBTCBV Notes and LBB Notes, in the case of any payment by the Guarantor pursuant to the Guarantee, the Guarantor) determines that, as a result of any change in or amendment to the laws or treaties, or any regulations or rulings promulgated thereunder, of the country in which the Issuer or the Guarantor, as the case may be, is organized affecting taxation, or any proposed change in such laws, treaties, regulations or rulings, or any change in the official application, enforcement or interpretation of such laws, treaties, regulations or rulings (including a holding by a court of competent jurisdiction in the country in which the Issuer or the Guarantor, as the case may be, is organized affecting taxation) which change or amendment becomes effective or is proposed on or after the Issue Date of the first Tranche of Notes of that Series, or any other action predicated on such amendment or change taken by any taxing authority or court of competent jurisdiction in the country in which the Issuer or the Guarantor, as the case may be, is organized or the official proposal of such action, whether or not such action or proposal was taken or made with respect to the Issuer or the Guarantor, the Issuer or the Guarantor, as the case may be, has or will or, if the Guarantees were called, would become obligated to pay Additional Amounts on any Note, Coupon or Receipt and such obligation cannot be avoided by the Issuer or the Guarantor, as the case may be, by any reasonable measures available to it which (in the good faith opinion of the Issuer or the Guarantor, as the case may be) will not have a material adverse impact on the conduct of its business; provided that the Notes of any Series may not be so redeemed if, as of the date of an assumption of the obligations of LBTCBV or LBB (as applicable) under the Notes and under the Fiscal Agency Agreement and each Calculation Agency Agreement by any wholly-owned subsidiary of LBHI, such obligation to pay Additional Amounts arises because of the official application or interpretation of the laws or regulations affecting taxation in the country of which such wholly-owned subsidiary is organized. If the relevant Issuer or the Guarantor, as the case may be, provides an opinion of independent counsel licensed to practice law in the appropriate jurisdiction, dated as of the date of such assumption, that no obligation to pay Additional Amounts arises, then that opinion shall be final and binding, solely for purposes of this paragraph, on such Issuer, the Guarantor, the Fiscal Agent and the Holders of the Notes of such Series as to the law of the relevant jurisdiction at the date of such opinion.

Prior to the giving of any notice of redemption pursuant to the preceding paragraph, the Issuer shall deliver to the Fiscal Agent (i) a certificate stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to so redeem have occurred and (ii) an opinion of counsel to such effect based upon such statement of facts.

In addition, no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or the Guarantor, as the case may be, would be obligated to pay Additional Amounts were a payment in respect of the Notes (or the Guarantees, as the case may be) then due.

If the Issuer (or, in the case of payments made by the Guarantor pursuant to the Guarantee, the Guarantor) determines that any payment made outside the United States by the Issuer or the Guarantor, as the case may be, or any of their paying agents of principal, interest, original issue discount or premium due in respect of any Note in bearer form, Coupon or Receipt would be, under any present or future laws or regulations of the United States, subject to any certification, information or other reporting requirement of any kind, the effect of which requirement is the disclosure to the Issuer or the Guarantor, as the case may be, any paying agent or any governmental authority of the nationality, residence or identity of a beneficial owner of such Note, Coupon or Receipt who is a United States Alien (other than such a requirement (i) that would not be applicable to a payment made by the Issuer or the Guarantor, as the case may be, or any of their paying agents (A) directly to the beneficial owner or (B) to a custodian, nominee or other agent of the beneficial owner, or (ii) that can be satisfied by such custodian, nominee or other agent certifying to the effect that such beneficial owner is a United States Alien, or (iii) that would not be applicable in the case of payment made by any other paying agent, provided that in each case referred to in clauses (i) (B) and (ii) payment by such custodian, nominee or agent to such beneficial owner is not otherwise subject to any such requirement), the Issuer at its election will either (X) redeem the Notes, in whole, at a redemption price equal to the Early Redemption Amount, together with interest accrued, if any, to but excluding the date fixed for redemption, or (Y) if and so long as the conditions of the next succeeding paragraph are satisfied, pay the Additional Amounts specified in such paragraph; provided that if any Holder fails to present its Note, together with all appurtenant Coupons, Receipts and Talons, if any, for redemption specified in clause (X) above, such Holder will not be entitled to any Additional Amounts. The Issuer will make such determination and such election and notify the Fiscal Agent as soon as practicable, and the Fiscal Agent will promptly give notice thereof (the “*Determination Notice*”), stating the effective date of such certification, information or other reporting requirement, whether the Issuer has elected to redeem the Notes or to pay the Additional Amounts specified in the next succeeding paragraph, and (if applicable) the last date by which the redemption of the Notes must take place. If the Issuer elects to redeem the Notes, such redemption will take place on such date, not later than one year after the publication of the Determination Notice, as the Issuer elects by notice to the Fiscal Agent at least 60 days before the redemption date, unless shorter notice is acceptable to the Fiscal Agent. Notwithstanding the foregoing, the Issuer will not so redeem the Notes if the Issuer subsequently determines, not less than 30 days prior to the redemption date, that subsequent payments would not be subject to any such requirement, in which case the Issuer will notify the Fiscal Agent which will give prompt notice of such determination and any earlier redemption notice will be revoked and will have no further effect. If the Issuer elects as provided in clause (Y) above to pay Additional Amounts, and as long as the Issuer is obligated to pay such Additional Amounts, the Issuer may subsequently redeem the Notes, at any time, as a whole but not in part, at a redemption price equal to the Early Redemption Amount, together with interest accrued, if any, to but excluding the date fixed for redemption, but without reduction for United States withholding taxes discussed in this paragraph. The term “*United States Alien*” means any person that is, as to the United States, a foreign corporation, a non-resident alien individual, a non-resident alien fiduciary of a foreign estate or trust or a foreign partnership one or more of the members of which is, as to the United States, a foreign corporation, a non-resident alien individual or a non-resident alien fiduciary of a foreign estate or trust.

If and so long as certification, information or other reporting requirements referred to in the immediately preceding paragraph would be fully satisfied by payment of a backup withholding tax or similar charge, the Issuer may elect (or the Guarantor may cause the Issuer to elect, as the case may be), by so stating in the Determination Notice, to have the provisions of this paragraph apply in lieu of the provisions of the preceding paragraph. In such event, the Issuer or the Guarantor, as the case may be, will pay Additional Amounts to Holders who are United States Aliens, provided that the backup withholding tax or similar charge is not a charge which:

- (i) would not be applicable to a payment made to a custodian, nominee or other agent of the beneficial owner or which can be satisfied by such a custodian, nominee or other agent certifying to the effect that such beneficial owner is a United States Alien; provided, however,

in each case that payment by such custodian, nominee or agent to such beneficial owner is not otherwise subject to any requirement referred to in this paragraph;

- (ii) is applicable only to payment by a custodian, nominee or other agent of the beneficial owner to such beneficial owner;
- (iii) would not be applicable to a payment made by any other paying agent;
- (iv) is imposed as a result of the fact that the Issuer or the Guarantor, as the case may be, or any paying agent has actual knowledge that the beneficial owner of such Note, Coupon or Receipt is a U.S. person; or
- (v) is imposed as a result of presentation of such Note, Receipt or Coupon for payment more than 10 days after the date on which such payment becomes due and payable or on which payment thereof is duly provided for, whichever occurs later.

10. Events of Default

(a) *Events of Default*

An “*Event of Default*” with respect to any Note of a particular Series shall mean any one or more of the following:

- (i) default in the payment of any interest or Additional Amounts, if any, upon any Note of that Series and any related Coupon when it becomes due and payable, and continuance of such default for a period of 30 days;
- (ii) default in the payment of the principal of (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount thereof) any Note of that Series when it becomes due and payable;
- (iii) default in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due and payable by the terms of any Note of that Series, and continuance of such default for a period of 30 days;
- (iv) default in the observance or performance, or breach, of any other material covenants or agreements of the Issuer (or, if applicable, the Guarantor) in respect of the Notes of that Series contained in the Fiscal Agency Agreement or such Notes (other than a covenant or warranty in respect of the Notes of such Series, a default in the performance of which or the breach of which is elsewhere in this section specifically dealt with or which has expressly been included in the Fiscal Agency Agreement or such Notes solely for the benefit of Series of Notes other than that Series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to (A) the Issuer (and LBHI, if LBTCBV or LBB is the Issuer) or, if applicable, the Guarantor and (B) the Fiscal Agent by the Holders of at least 25% in principal amount of the Outstanding (as defined in Condition 12 (Meetings and Amendments)) Notes of that Series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “*Notice of Default*”;
- (v) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of LBHI in an involuntary case or proceeding under any applicable U.S. federal or state bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging LBHI bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of LBHI under any applicable U.S. federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of LBHI or of any substantial part of its property, or ordering the winding-up or liquidation of its affairs, and the continuance of any such decree or order for relief of any such other decree or order unstayed and in effect for a period of 60 consecutive days;

- (vi) the commencement by LBHI of a voluntary case or proceeding under any applicable U.S. federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of it in an involuntary case or proceeding under any applicable U.S. federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable U.S. federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of LBHI or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by LBHI in furtherance of any such action;
- (vii) except as provided in Condition 13 (Assumption of Obligations) hereof, any of the Guarantees shall cease to be in full force or effect, or LBHI shall deny or disaffirm any of its obligations under any of the Guarantees; or
- (viii) in the case of LBTCBV Notes, if LBTCBV applies for suspension of payment (“*surséance van betaling*”) or is declared bankrupt (“*failliet verklaard*”), in both cases within the meaning of the Netherlands Bankruptcy Act (“*Faillissementswet*”), or becomes subject to analogous proceedings under the Netherlands Banking Act (“*Wet toezicht Kredietwezen 1992*”), or is unable to pay or shall admit in writing its inability to pay, or shall threaten to stop or suspend payment of, its debts as they fall due or shall otherwise become insolvent or applies for or consents to or suffers the appointment of an administrator, liquidator or receiver of LBTCBV or of the whole or any substantial part of the undertaking, property, assets or revenues of LBTCBV or takes any proceeding under any law for a readjustment or deferment of its obligations or any substantial part of them or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors, or ceases or threatens to cease to carry on all or any substantial part of its business or is wound up.
- (ix) in the case of LBB Notes, if (aa) LBB stops payments or announces that it is not in a position to meet its financial obligations; (bb) bankruptcy, composition or any insolvency proceedings are instituted against LBB which shall not have been dismissed or stayed within 60 days after institution; (cc) LBB applies for institution of such proceedings, or LBB offers or makes an arrangement for the benefit of its creditors generally, due to financial difficulties; or (dd) LBB ceases or through an official action of the Board of Directors of LBB threatens to cease to carry on business, in any case otherwise than in connection with a Reorganisation (as defined below).

For the purposes of these Terms and Conditions, “Reorganisation” means a consolidation, amalgamation, merger or reorganisation of LBB with another company, and

- (A) the terms of the Reorganisation provide that:
 - the obligations of LBB under the Notes (the “*Predecessor*”) are assumed by a successor company of the Predecessor which succeeds to the rights and assets of the Predecessor substantially proportionate to the liabilities of the Predecessor, and
 - such successor company does not assume any other substantial obligations or liabilities unless other rights and assets are transferred to it in approximately the same proportion as described above, and
- (B) the Reorganisation does not have any material adverse effect on the Holders or 10 per cent. or more of them.

(b) *Automatic Rescission in Certain Circumstances*

So long as no other Event of Default has then occurred and is continuing or would result therefrom, if an Event of Default specified in paragraph (viii) shall have occurred, said Event of Default shall automatically be deemed rescinded and annulled if LBHI shall have assumed the obligations of LBTCBV or LBB (as applicable) under such Notes as referred to under Condition 13 (Assumption of Obligations) below within 30 days of the occurrence of such Event of Default.

(c) *Remedies; Rescission; Waiver*

If an Event of Default with respect to Notes of any Series and any related Coupons or Receipts at the time Outstanding occurs and is continuing, then in every such case, unless the principal of all of the Notes of such Series shall have already become due and payable, the Holders of at least 25% in principal amount of the Outstanding Notes of that Series may declare the principal amount (or, if the Notes of that Series are Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) of all of the Notes of that Series to be due and payable immediately at their Early Redemption Amount, by a notice in writing to the Issuer and, if applicable, the Guarantor, and upon any such declaration such Early Redemption Amount, together with the premium, if any, accrued and unpaid interest, if any, and Additional Amounts, if any, shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Notes of any Series has been made and before a judgment or decree for payment of the money due has been obtained, the Holders of at least a majority in principal amount of Outstanding Notes of that Series, by written notice to the Issuer and, if applicable, the Guarantor, and the Fiscal Agent, may rescind and annul such declaration and its consequences if (i) the Issuer or, if applicable, the Guarantor, has paid or deposited with the Fiscal Agent a sum sufficient to pay in the Specified Currency in which the Notes of such Series are payable: (A) all overdue interest, if any, on all Notes of that Series and any related Coupons and (B) the principal of (and premium, if any, on, and, if such Note is a Zero Coupon Note, the Accrual Yield Amount payable in respect thereof) any Notes of that Series which have become due otherwise than by such declaration of acceleration and interest thereon at the Fixed Rate of Interest, Rate of Interest or Accrual Yield, as the case may be, applicable to that Series; and (ii) all Events of Default with respect to Notes of that Series, other than the non-payment of the principal of Notes of that Series, which have become due solely by such declaration of acceleration, have been cured or waived as provided below. No such rescission shall affect any subsequent default or impair any right consequent thereon.

The Holders of at least a majority in principal amount of the Outstanding Notes of any Series and any related Coupons or Receipts may on behalf of the Holders of all the Notes of such Series waive any past default hereunder with respect to such Series and its consequences, except a default (i) in the payment of the principal of (or premium, if any, and, if such Note is a Zero Coupon Note, the Accrual Yield Amount payable in respect thereof) or interest, if any, on any Note of such Series, or in the payment of any sinking fund instalment or analogous obligation with respect to the Notes of such Series, or (ii) in respect of a covenant or provision hereof which as described under Condition 12(e) (Amendments Requiring Extraordinary Resolution of Noteholders) below cannot be modified or amended without the passing of an Extraordinary Resolution (as hereafter defined) by the Holders of the Outstanding Notes of such Series affected. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the Fiscal Agency Agreement and the Notes of such Series, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

11. Negative Pledge with respect to Senior Notes

Except as may be otherwise provided in the Notes of a Series and in the applicable Final Terms, so long as any Senior Note remains Outstanding and unpaid, LBHI will not, and will not permit any Designated Subsidiary (as defined below) to, directly or indirectly, create, issue, assume, incur or guarantee any indebtedness for money borrowed which is secured by a mortgage, pledge, lien, security interest or other encumbrance of any nature on any of the present or future common stock of a Designated Subsidiary unless the Senior Guarantees and the Senior Notes issued by LBHI (and, if LBHI so elects, any other indebtedness

of LBHI ranking at least *pari passu* with the Senior Guarantees and such Senior Notes) shall be secured equally and rateably with (or prior to) such other secured indebtedness for money borrowed so long as it is outstanding. As used herein, the following terms shall have the following meanings: “*Consolidated Net Worth*” means consolidated assets minus consolidated liabilities as calculated in accordance with generally accepted accounting principles in effect in the United States from time to time; “*Designated Subsidiary*” means any present or future consolidated Subsidiary the Consolidated Net Worth of which constitutes at least 5% of the Consolidated Net Worth of LBHI; and “*Subsidiary*” means a corporation more than 50% of the outstanding voting stock of which is owned, directly or indirectly, by LBHI or by one or more other Subsidiaries, or by LBHI and one or more other Subsidiaries. For the purposes of this definition, “voting stock” means stock which ordinarily has voting power for the election of directors, whether at all times or only as long as no senior class of stock has such voting power by reason of any contingency.

12. Meetings and Amendments

(a) Meetings

A meeting of Holders of Notes of one or more Series may be called at any time and from time to time by the Issuer to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided by the Fiscal Agency Agreement or the Notes of such Series to be made, given or taken by Holders of Notes of such Series or to modify, amend or supplement the terms of the Notes of such Series or the Fiscal Agency Agreement as hereinafter provided. The Fiscal Agent may at any time, and shall upon the request of the Issuer, call a meeting of Holders of Notes of one or more Series for any such purpose to be held at such time and at such place as the Issuer (and LBHI, if LBTCBV or LBB is the Issuer) shall determine. Notice of every meeting of Holders of Notes of a Series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given as specified in Condition 15 (Notices) not less than 30 nor more than 60 days’ prior to the date fixed for the meeting. In case at any time the Holders of at least 10% in aggregate principal amount of the Outstanding Notes of a Series shall have requested the Issuer to call a meeting of the Holders of Notes of such Series to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided by the Fiscal Agency Agreement or the Notes of such Series, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, the Issuer shall call such meeting for such purposes by giving notice thereof.

(b) Quorum Requirements

To be entitled to vote at any meeting of Holders of Notes of a Series, a person shall be (i) a Holder of Outstanding Notes of such Series or (ii) a person appointed by an instrument in writing as proxy for a Holder or Holders of Outstanding Notes of such Series by such Holder or Holders, which proxy need not be a Holder of Notes. The persons entitled to vote 10% in aggregate principal amount of the Outstanding Notes which may be affected by the action to be taken at such meeting, except as hereinafter provided, shall constitute a quorum for the transaction of all business referred to in the preceding paragraph. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Notes (as provided above), be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Condition 15 (Notices) except that notice must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened. Subject to the foregoing, at the reconvening of any meeting adjourned for a lack of a quorum two or more persons who are present in person holding Notes which may be affected by the action to be taken at such meeting or who have been appointed by an instrument in writing as proxy for a Holder of such Notes by such Holder, which proxy need not be a Holder of Notes, shall constitute a quorum for the taking of any action set forth in the notice of the original meeting. Notice of the reconvening of such an adjourned meeting shall state expressly the quorum requirements for any such reconvened meeting. Any Holder of a Note who has executed an

instrument in writing appointing a person as his proxy shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; provided that such Holder shall be counted as present or voting only with respect to the matters covered by such instrument in writing (which may include authorization to vote on any other matters as may come before the meeting).

(c) *Regulations for Meetings*

The Fiscal Agent may make such reasonable and customary regulations as it shall deem advisable for any meeting of Holders of Notes of any Series with respect to the proof of the holding of Notes of such Series, the adjournment and chairmanship of such meeting, the appointment and duties of inspectors of votes, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate.

(d) *Certain Amendments*

Any meeting of Holders of Notes at which a quorum is present may be adjourned from time to time by a vote of more than 50% in aggregate principal amount of the Outstanding Notes represented at the meeting, and the meeting may be held as so adjourned without further notice. Except as provided in paragraphs 12(e) (Amendments Requiring Extraordinary Resolution of Noteholders) and 12(f) (Amendments without the Consent of Noteholders), any modifications, amendments or waivers to the Fiscal Agency Agreement or the terms and conditions of the Notes of a Series shall require (i) the consent of the Issuer (and LBHI, if LBTCBV or LBB is the Issuer) and (ii) (A) the written consent of Holders of more than 50% in aggregate principal amount of the Outstanding Notes of such Series or (B) the approval of more than 50% of the aggregate principal amount of such Notes represented at a meeting of the Holders of Notes of such Series called in accordance with the provisions set forth above; provided that any such modification, amendment or waiver which affects the Outstanding Notes of more than one Series (as determined by the relevant Issuer (and LBHI, if LBTCBV or LBB is the Issuer)) shall require (X) the written consent of Holders of more than 50% in aggregate principal amount of the Outstanding Notes affected thereby or (Y) the approval of more than 50% of the aggregate principal amount of such Notes represented at such meeting of the Holders of Notes. Except as otherwise provided in paragraph 12(e) (Amendments Requiring Extraordinary Resolution of Noteholders), any such modification, amendment or waiver shall be conclusive and binding on all Holders of Notes, whether or not they have given such consent or were present at such meeting and whether or not notation of such modification, amendment or waiver is made upon the Notes, and on all future Holders of Notes. Any instrument given by or on behalf of any Holder of a Note in connection with any consent to any such modification, amendment or waiver shall be irrevocable once given and shall be conclusive and binding on all subsequent Holders of such Note.

(e) *Amendments Requiring Extraordinary Resolution of Noteholders*

(f) *Amendments without the Consent of Noteholders*

LBHI, LBTCBV, LBB and, in the case of the Fiscal Agency Agreement, the Fiscal Agent, may agree, without the vote or consent of any Holder of Notes, Couponholder, Receiptholder or Talonholder, to any modification (except as aforesaid) of, or to any waiver or authorization of any breach or proposed breach of, any of the terms and conditions of the Notes or any other provisions of the Fiscal Agency Agreement for the purpose of (i) adding to the covenants of LBHI, LBTCBV or LBB for the benefit of the Holders of Notes, Couponholders, Receiptholders or Talonholders, (ii) surrendering any right or power conferred upon LBHI, LBTCBV or LBB which does not adversely affect the interest of any holders of Notes, Coupons, Receipts or Talons in any material respect, (iii) securing the Notes pursuant to the requirements of the Notes or otherwise for the benefit of the Holders of Notes, Coupons, Receipts or Talons, (iv) subject to the existence of the conditions set forth in Condition 7(a) (Place of Payment), permitting the payment of principal (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, in respect of Notes in bearer form in the United States, (v) evidencing the succession of another corporation to LBHI, LBTCBV or LBB as described in Condition 14 (Merger or Consolidation of the Issuer or the Guarantor) and the assumption by such successor of the covenants and obligations of LBHI or LBTCBV in the Fiscal Agency Agreement and in the Notes, Coupons, Receipts and Talons as permitted by the Notes, (vi) evidencing the assumption by LBHI of the obligations of LBTCBV or LBB under the Fiscal Agency Agreement and the Notes issued by LBTCBV or LBB or the designation by LBHI of one of its wholly-owned Subsidiaries to be the issuer of the Notes previously issued by LBTCBV or LBB, as described in Condition 13 (Assumption of Obligations), (vii) correcting or supplementing any defective provision contained in the Fiscal Agency Agreement or in the Notes, Coupons, Receipts or Talons in a manner which does not adversely affect the interest of any Holders of the Notes, Coupons, Receipts or Talons in any material respect, (viii) amending the certification requirements referred to in Condition 7 (Payment of Principal and Interest; Paying Agents) in order to allow LBHI, LBTCBV or LBB to comply with the certification requirements with respect to nationality or status as required by applicable laws, (ix) making any modification, or granting any waiver or authorization of any breach or proposed breach of, any of the terms and conditions of the Notes or any other provisions of the Fiscal Agency Agreement in any manner which LBHI, LBTCBV or LBB and, in the case of the Fiscal Agency Agreement, the Fiscal Agent may determine and which does not adversely affect the interest of any Holders of Notes, Coupons, Receipts or Talons in any material respect, or (x) making any modification which is of a minor or technical nature or correcting a manifest error.

(g) *Effect of Amendments*

Notes of a Series authenticated and delivered after the effectiveness of any such modification, amendment, supplement, request, demand, authorization, direction, notice, consent, waiver or other action may bear a notation in the form approved by the Fiscal Agent and the Issuer (and LBHI, if LBTCBV or LBB is the Issuer) as to any matter provided for in such modification, amendment, supplement, request, demand, authorization, direction, notice, consent, waiver or other action. New Notes of such Series modified to conform, in the opinion of the Fiscal Agent and LBHI, to any such modification, amendment, supplement, request, demand, authorization, direction, notice, consent, waiver or other action may be prepared by LBHI, LBTCBV or LBB, authenticated by the Fiscal Agent (or any authenticating agent appointed pursuant to the Fiscal Agency Agreement) and delivered in exchange for the Outstanding Notes of such Series.

(h) *Notes Deemed to be Outstanding*

As used herein, any Note authenticated and delivered pursuant to the Fiscal Agency Agreement shall, as of any date of determination, be deemed to be “Outstanding”, except: (i) Notes theretofore cancelled by the Fiscal Agent or delivered to the Fiscal Agent for cancellation or held by the Fiscal Agent for reissuance but not reissued by the Fiscal Agent; (ii) Notes which have been called for redemption in accordance with their terms or which have become due and payable at maturity or otherwise and with respect to which monies sufficient to pay the principal thereof (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, thereon shall have been made available to the Fiscal Agent; or (iii) Notes in lieu of or in substitution for which other Notes shall have been authenticated and delivered pursuant to the Fiscal Agency Agreement; provided, however, that in determining whether the Holders of the requisite principal amount of Outstanding Notes of a Series are present at a meeting of Holders of Notes of such Series for quorum purposes or have consented to or voted in favour of any request, demand, authorization, direction, notice, consent, waiver, amendment, modification or supplement hereunder, Notes of such Series owned directly or indirectly by LBHI, LBTCBV or LBB or any Affiliate of LBHI, LBTCBV or LBB shall be disregarded and deemed not to be Outstanding. As used herein, the term “*Affiliate*” of any specified Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with LBHI, LBTCBV or LBB. For the purposes of this definition, (i) “*control*” when used with respect to any specified Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise, and the terms “*controlling*” and “*controlled*” have meanings correlative to the foregoing; and (ii) “*Person*” means any individual, corporation, partnership, joint venture, association, joint stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

(i) *Number of Votes*

The Holder of a Note may, at any meeting of Holders of a Series of Notes at which such Holder is entitled to vote, cast one vote for each currency unit in principal amount of the Notes held by such Holder in which such Notes are denominated. Notwithstanding the foregoing, at any meeting of Holders of more than one Series of Notes, a Holder of a Note which does not specify regular payments of interest, including, without limitation, Zero Coupon Notes, shall be entitled to one vote at any such meeting for each such currency unit of the redemption value of such Note calculated as of the date of such meeting. Where Notes are denominated in one or more currencies other than U.S. dollars, the U.S. dollar equivalent of such Notes shall be calculated at the exchange rates prevailing in the Principal Financial Centre on the date of such meeting or, in the case of written consents or notices, on such date as LBHI shall designate for such purpose and each Holder of such a Note shall have one vote for every U.S. dollar of Notes (converted as aforesaid) which he holds.

(j) *Written Resolutions*

A resolution in writing signed by or on behalf of all Holders of Notes of a Series who for the time being are entitled to receive notice of a meeting of Holders of Notes of that Series will take effect as if it

were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Holders of Notes of that Series.

13. Assumption of Obligations

LBHI or any wholly-owned Subsidiary of LBHI may assume the obligations of LBTCBV or LBB (or any corporation which shall have previously assumed the obligations of LBTCBV or LBB (as applicable) as provided in this Condition 13 (Assumption of Obligations); LBTCBV or LBB (as applicable) or such corporation in each case being referred to herein as the “*prior Issuer*”) for the due and punctual payment of the principal of (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, on and Additional Amounts, if any, in respect of the Notes issued by it and the performance of every covenant of the Fiscal Agency Agreement, the Notes and each Calculation Agency Agreement on the part of the prior Issuer to be performed or observed; provided that: (i) LBHI or such Subsidiary of LBHI, as the case may be, shall expressly assume such obligations by an amendment or supplement to the Fiscal Agency Agreement, executed by LBHI and such Subsidiary, if applicable, and delivered to the Fiscal Agent for the benefit of the Holders of the Notes, Coupons, Receipts and Talons; (ii) if such Subsidiary assumes such obligations, LBHI shall, by such amendment or supplement, confirm that its Guarantees shall apply to such Subsidiary’s obligations under the Notes, Coupons, Receipts and Talons and the Fiscal Agency Agreement and each Calculation Agency Agreement, as modified by such amendment or supplement; provided, however, that this subsection (iii) shall not apply in the event of such an assumption by a Subsidiary of LBHI, not being incorporated in The Netherlands, the long-term debt securities of which, as of the effective date of such assumption and after giving effect thereto, have a rating from Moody’s Investors Service, Inc. and Standard & Poor’s Ratings Services, a division of the McGraw-Hill Companies, Inc. which is equal to or higher than those of LBHI; (iv) LBHI or such Subsidiary, as the case may be, shall confirm in such amendment or supplement that LBHI or such Subsidiary, as the case may be, will pay to the Holders such Additional Amounts as provided by, and subject to the limitations set forth in, Condition 9 (Payment of Additional Amounts; Tax Redemption) as may be necessary in order that every net payment of the principal of (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, on the Notes will not be less than the amount provided for in the Notes to be then due and payable; provided, that such obligation shall extend to any deduction or withholding for or on account of any present or future tax, assessment or governmental charge imposed upon such payment by any taxing authority of or in the country in which LBHI or any such Subsidiary is organized (it being understood that, except as aforesaid, neither LBHI nor such Subsidiary shall be obligated to make any indemnification or payments in respect of any tax consequences to any Holder of a Note or Couponholder, Receiptholder or Talonholder as a result of the assumption of rights and obligations described herein and which arise as a result of the domicile or residence of such Holder in, or connection of such Holder with, or subjection of such Holder to, any jurisdiction); and (v) immediately after giving effect to such assumption, no Event of Default and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing.

Upon any such assumption, LBHI or such Subsidiary, as the case may be, shall succeed to, and be substituted for, and may exercise every right and power of, the prior Issuer under the Fiscal Agency Agreement, the Notes issued by the prior Issuer and each Calculation Agency Agreement, with the same effect as if LBHI or such Subsidiary, as the case may be, had been named as the prior Issuer in the Fiscal Agency Agreement, and the prior Issuer shall be released from all liability under the Fiscal Agency Agreement, the Notes issued by it and each Calculation Agency Agreement.

For the avoidance of doubt, no consent of any Holder of Notes is required for the transactions contemplated by this Condition 13 (Assumption of Obligations).

In the event that LBHI, during the term of this Programme, no longer complies with the conditions described in clause 3.1.19 of the Distribution Agreement (as defined under “*Subscription and Sale*” below), in particular as soon as it becomes aware that it may not continue to have a positive consolidated shareholder’s equity (*positief geconsolideerd eigen vermogen*) within the meaning of Section 2:373 of the Dutch Civil Code, either

- (a) the obligations of LBTCBV shall be assumed (in the manner described above) by LBHI or any wholly-owned Subsidiary of LBHI, such Subsidiary not being incorporated in The Netherlands; or
- (b) LBHI shall arrange for its substitution as guarantor of any Notes issued by LBTCBV by a different entity (the “*New Guarantor*”) provided that: (i) the New Guarantor shall have a positive consolidated shareholder’s equity (as defined above); (ii) the New Guarantor and LBTCBV shall belong to one group (concern) as defined in the Exemption Regulation pursuant to the Act on the Supervision of Credit Institutions 1992 (*Wet toezicht kredietwezen 1992*) of the Minister of June 26, 2002 (the “*Exemption Regulation*”) and (iii) LBTCBV shall be a subsidiary (*dochtermaatschappij*) of the New Guarantor within the meaning of Section 2:24a of the Dutch Civil Code; or
- (c) any Notes issued by LBTCBV shall, in addition to the existing Guarantee by LBHI, be guaranteed by a credit institution that is subject to prudential supervision in The Netherlands, another European Economic Area member state, the U.S., Canada, Japan, Australia or Switzerland.

14. Merger or Consolidation of the Issuer or the Guarantor

So long as any Note remains Outstanding, neither the Issuer nor the Guarantor, if applicable, shall consolidate or amalgamate with or merge into any other corporation or convey, transfer or lease its properties and assets substantially as an entirety to any person unless: (i) the corporation formed by such consolidation or amalgamation or into which such Issuer or the Guarantor, as the case may be, is merged or the person which acquires by conveyance or transfer, or which leases, the properties and assets of such Issuer or the Guarantor, as the case may be, substantially as an entirety shall expressly assume, by an amendment to the Fiscal Agency Agreement executed and delivered to the Fiscal Agent (A) (1) in the case of a successor to an Issuer, the due and punctual payment of the principal of (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof), and interest, if any, and Additional Amounts, if any, on all of the Notes and the performance of every covenant in the Notes, each Calculation Agency Agreement and the Fiscal Agency Agreement to be performed by such Issuer and (2) in the case of a successor to LBTCBV or LBB, LBHI shall confirm that the Guarantee shall apply to the obligations of such successor under the Notes, each Calculation Agency Agreement and the Fiscal Agency Agreement; provided that this subsection (i) (A) (2) shall not apply in the event of a conveyance or transfer of the properties and assets of LBTCBV or LBB (as applicable) substantially as an entirety to any corporation, the long-term debt securities of which, as of the effective date of such conveyance or transfer and after giving effect thereto, have a rating from Moody’s Investors Service, Inc. and Standard & Poor’s Ratings Services, a division of the McGraw-Hill Companies, Inc. which is equal to or higher than those of the Guarantor, so long as such corporation shall assume the obligations of LBHI under the Guarantees, the Fiscal Agency Agreement and each Calculation Agency Agreement in the manner contemplated by the following subsection (i) (B) and (B) in the case of a successor to the Guarantor, the due and punctual performance of the Guarantees and the performance of every covenant in the Fiscal Agency Agreement and each Calculation Agency Agreement on the part of the Guarantor to be performed, which assumption shall provide in each case that such corporation or person, as the case may be, shall pay to the Holder of any Note and any Couponholder, Receiptholder or Talonholder such Additional Amounts as provided by, and subject to the limitations set forth in, Condition 9 (Payment of Additional Amounts; Tax Redemption) as may be necessary in order that every net payment of the principal of (including premium, if any, and in the case of Zero Coupon Notes, the Accrual Yield Amount payable in respect thereof) and interest, if any, will not be less than the amount provided for in the Notes to be then due and payable; provided that such obligation shall extend to any deduction or withholding for or on account of any present or future tax, assessment or governmental charge imposed upon such payment by any taxing authority of or in the country in which any such corporation or person is organized (it being understood that except as aforesaid, no such corporation or person shall be obligated to make any indemnification or payment in respect of any tax consequences to any individual Holder of a Note or Couponholder, Receiptholder or Talonholder as a result of the assumption of rights and obligations described herein and which arise as a result of the domicile or residence of such Holder in, or connection of such Holder with, or subjection of such Holder to, any jurisdiction); (ii) immediately

after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing; (iii) if, as a result of any such consolidation, amalgamation or merger or such conveyance, transfer or lease, properties or assets of LBHI, LBTCBV or LBB would become subject to a mortgage, pledge, lien, security interest or other encumbrance which would not be permitted by the Fiscal Agency Agreement or the Notes, LBHI, LBTCBV or LBB or such successor corporation or person, as the case may be, shall take such steps as shall be necessary effectively to secure the Notes equally and rateably with (or prior to) all indebtedness secured thereby; and (iv) a certificate, signed by a duly authorized officer of such Issuer or the Guarantor, as the case may be, and a written opinion of counsel, each stating that such consolidation, amalgamation, merger, conveyance, transfer or lease and such document evidencing the assumption by such corporation or person complies with all conditions precedent herein provided for relating to such transaction shall have been made available for inspection by Holders of the Notes at the principal office of the Fiscal Agent.

Upon any such assumption, such corporation or person, as the case may be, shall succeed to, and be substituted for, and may exercise every right and power of, such Issuer or the Guarantor, as the case may be, under the Fiscal Agency Agreement with the same effect as if such corporation or person had been named as “*Issuer*” or the “*Guarantor*”, as the case may be, under the Fiscal Agency Agreement, and thereafter, except in the case of a lease, the predecessor corporation shall be relieved of all obligations and covenants under the Fiscal Agency Agreement, each Calculation Agency Agreement, the Notes, the Coupons, the Receipts and the Talons.

For the avoidance of doubt, no consent of any Holder of Notes is required for the transactions contemplated by this Condition 14 (Merger or Consolidation of the Issuer or the Guarantor).

The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange on which the Notes are for the time being listed. Any notice published in a newspaper as aforesaid shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication.

Except for Notes listed on the Luxembourg Stock Exchange, in the case of global Notes in bearer form of a Series, there may, so long as such global Notes are held in their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication as aforesaid, the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to Holders of Notes. Any such notice shall be deemed to have been given to Holders of Notes three Business Days after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

16. Replacement of Notes, Coupons, Receipts and Talons

If any Note, Coupon, Receipt or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Fiscal Agent (and, if the Notes are then admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Paying Agent having its Specified Office in the place required by such listing authority, stock exchange and/or quotation system), subject to all applicable laws and listing authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require.

17. Prescription

All amounts paid by the Issuer or the Guarantor, as the case may be, to a Paying Agent for payment of the principal of or premium or interest on any Note and remaining unclaimed for two years after such payment has been made shall be repaid to the Issuer or the Guarantor, as the case may be, and to the extent permitted by law, the Holder of such Note or related Coupon or Receipt thereafter may look only to the Issuer or the Guarantor, as the case may be, for payment. Definitive Notes in bearer form, Receipts and Coupons will become void unless presented for payment within periods of 10 years (in the case of principal) and 5 years (in the case of interest) from the Relevant Date (as defined in Condition 9 (Payment of Additional Amounts; Tax Redemption)). Under the State of New York's statute of limitations, any legal action upon the Notes must be commenced within six years after the payment thereof is due.

18. Further Issues of Notes

Each original issue of Notes together with any further issues expressed to form a single series with the original issue which are issued by the same Issuer, denominated in the same currency, having the same maturity date, bearing interest, if any, on the same basis and at the same rate and the terms of which (but for the issue date, issue price and the date from which interest accrues) are otherwise identical will constitute a Series (a "Series" or the "Notes of a Series").

19. Redenomination, Renominalisation and Reconventioning

This Condition 19 (Redenomination, Renominalisation and Reconventioning) is applicable to the Notes only if it is specified in the applicable Final Terms as being applicable.

- (a) If the country of the Specified Currency becomes or, announces its intention to become, a Participating Member State, the Issuer may, without the consent of the Holders of Notes and Couponholders, on giving at least 30 days' prior notice to the Holders of Notes and the Paying Agents, designate a date (the "*Redenomination Date*"), being an Interest Payment Date under the Notes falling on or after the date on which such country becomes a Participating Member State.
- (b) Notwithstanding the other provisions of these Conditions, with effect from the Redenomination Date:

 - (ii) if Notes have been issued in definitive form:
 - (A) all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date (the "*Euro Exchange Date*") on which the Issuer gives notice (the "*Euro Exchange Notice*") to the Holders of Notes that replacement Notes and Coupons denominated in euro are available for exchange (provided that such Notes and Coupons are available) and no payments will be made in respect thereof;
 - (B) the payment obligations contained in all Notes denominated in the Specified Currency will become void on the Euro Exchange Date but all other obligations of the Issuer thereunder (including the obligation to exchange such Notes in accordance with this Condition 19 (Redenomination, Renominalisation and Reconventioning)) shall remain in full force and effect; and
 - (C) new Notes and Coupons denominated in euro will be issued in exchange for Notes and Coupons denominated in the Specified Currency in such manner as the Fiscal Agent may specify and as shall be notified to the Holders of Notes in the Euro Exchange Notice; and

The stated legal purpose of LBHI is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware (as set out in article 3 of LBHI’s Restated Certificate of Incorporation).

To the best of LBHI’s knowledge, it is in material compliance with the applicable corporate governance regimes in the United States of America.

LBHI also acts through its London Branch which is registered at Companies House with Branch Number BR005486.

Business Overview

Lehman Brothers, an innovator in global finance, serves the financial needs of corporations, governments and municipalities, institutional clients and individuals worldwide. Lehman Brothers provides a full array of equities and fixed income sales, trading and research, investment banking services and investment management and advisory services. Its global headquarters in New York and regional headquarters in London and Tokyo are complemented by offices in additional locations in North America, Europe, the Middle East, Latin America and the Asia Pacific region. Lehman Brothers, through predecessor entities, was founded in 1850.

Through its subsidiaries, Lehman Brothers is a global market-maker in all major equity and fixed income products. To facilitate its market-making activities, Lehman Brothers is a member of all principal securities and commodities exchanges in the United States, as well as NASD, Inc., and it holds memberships or associate memberships on several principal international securities and commodities exchanges, including the London, Tokyo, Hong Kong, Frankfurt, Paris, Milan and Australian stock exchanges.

Lehman Brothers’ principal business activities are investment banking, capital markets and investment management. Through its investment banking, trading, research, structuring and distribution capabilities in equity and fixed income products, Lehman Brothers continues to build on its customer flow business model, which is based on its principal focus of facilitating client transactions in all major global capital markets products and services. Lehman Brothers generates customer flow revenues from institutional, corporate, government and high-net-worth customers by (i) advising on and structuring transactions specifically suited to meet client needs; (ii) serving as a market maker and/or intermediary in the global marketplace, including having securities and other financial instrument products available to allow clients to rebalance their portfolios and diversify risks across different market cycles; (iii) providing investment management and advisory services; and (iv) acting as an underwriter to clients. As part of its customer flow activities, Lehman Brothers maintains inventory positions of varying amounts across a broad range of financial instruments. In addition, Lehman Brothers also takes proprietary investment positions, the success of which is dependent on its ability to anticipate economic and market trends. The financial services industry is significantly influenced by worldwide economic conditions as well as other factors inherent in the global financial markets. As a result, revenues and earnings may vary from quarter to quarter and from year to year. Lehman Brothers believes its customer flow orientation helps to mitigate overall revenue volatility.

Lehman Brothers operates in three business segments: Investment Banking, Capital Markets and Investment Management. Financial information concerning Lehman Brothers for the fiscal years ended November 30, 2004 and 2003, including the amount of net revenues contributed by each segment in such

periods, is set forth in the Consolidated Financial Statements and Notes thereto which are incorporated by reference in this Debt Issuance Program Prospectus.

Lehman Brothers is engaged primarily in providing financial services. Other businesses in which Lehman Brothers is engaged represent less than 10 percent of each of consolidated assets, revenues and pre-tax income.

Organizational Structure

LBHI is the ultimate parent company of the Lehman Brothers group. Since LBHI is primarily a holding company, its cash flow and consequent ability to satisfy its obligations under the Notes issued by it and under the Guarantees are dependent upon the earnings of its subsidiaries and dividends or other distributions of those earnings or loans or other payments by those subsidiaries to LBHI. Except for the other Issuers and certain other subsidiaries as issuers of Notes and other securities (and then solely with respect to the Notes and other securities issued by them), LBHI's subsidiaries will have no obligation to pay any amount in respect of Notes or to make any funds available therefor. Several of LBHI's principal subsidiaries are subject to various capital adequacy requirements promulgated by the regulatory, banking and exchange authorities of the countries in which they operate and/or to capital targets established by various ratings agencies. The requirements referred to above, and certain covenants contained in various debt agreements, may restrict LBHI's ability to withdraw capital from its subsidiaries by dividends, loans or other payments. Additionally, the ability of LBHI to participate as an equity holder in any distribution of assets of any subsidiary is generally subordinated to the claims of creditors of the subsidiary.

As disclosed in the Information Incorporated by Reference, Lehman Brothers is involved in a number of judicial, regulatory and arbitration proceedings concerning matters arising in connection with the conduct of its business, including actions brought against Lehman Brothers and others with respect to transactions in which Lehman Brothers acted as an underwriter or financial advisor, actions arising out of its activities as a broker or dealer in securities and actions brought on behalf of various classes of claimants against many securities firms and lending institutions, including Lehman Brothers. Although there can be no assurance as to the ultimate outcome, Lehman Brothers generally has denied, or believe it has a meritorious defense and will deny, liability in all significant cases pending against it, including the matters described in the Documents Incorporated by Reference, and it intends to defend vigorously each such case. Based on information currently available and established reserves, Lehman Brothers believes that the eventual outcome of the actions against it, including the matters described in the Documents Incorporated by Reference, will not, in the aggregate, have a material adverse effect on its consolidated financial position or cash flows but may be material to its operating results for any particular period, depending on the level of its income for such period.

UNITED STATES TAXATION

The following is a general summary of material U.S. federal income and withholding tax considerations to U.S. Holders, Non-U.S. Registered Note Holders, and Non-U.S. Bearer Note Holders (each, defined below, and together, “*Beneficial Owners*”), of the purchase, ownership and disposition of Notes. This summary discusses only the principal United States federal income and withholding tax consequences to Beneficial Owners that purchased Notes at their original issuance and issue price and hold them as capital assets within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (the “*Code*”). This summary does not address all of the U.S. federal income tax consequences that may be relevant to a Beneficial Owner in light of the Beneficial Owner’s particular circumstances or to Beneficial Owners subject to special rules (including, without limitation, pension plans and other tax-exempt investors, banks, thrift institutions, insurance companies, real estate investment trusts, regulated investment companies, dealers in securities, currencies and Beneficial Owners so treated for U.S. federal income tax purposes, Beneficial Owners whose functional currency is other than the United States dollar, Beneficial Owners who hold Notes as part of a straddle, hedging or conversion transaction, Beneficial Owners liable for the alternative minimum tax and Beneficial Owners who are expatriates). In addition, this summary does not address the application to Beneficial Owners of the purchase, ownership and disposition of Notes, of state, local, or other tax laws of the United States or its political subdivisions, nor the tax law of any non-U.S. jurisdiction.

The following discussion is not intended or written to be used, and cannot be used by any person, for the purpose of avoiding United States Federal tax penalties, and was written to support the promotion or marketing of Notes issued under the Program. Prospective purchasers of the Notes should consult their own tax advisors regarding the application of U.S. federal income tax law, as well as any state, local, foreign or other tax laws, to the purchase, ownership and disposition of Notes in light of their particular circumstances.

This summary is based on the Code, its legislative history, applicable U.S. Treasury Regulations, judicial authority and administrative rulings and practice in effect as of the date of this Debt Issuance Program Prospectus any of which may be appealed, revoked or otherwise altered with retroactive effect, thereby changing the U.S. federal income tax consequences discussed below. There is no assurance that the U.S. Internal Revenue Service (the “*IRS*”) will not take a contrary view, and no ruling from the IRS has been or will be sought.

As used herein, the term “U.S. Holder” means a beneficial owner of a Note in registered form (“*Registered Note*”) that is, for U.S. federal income tax purposes, (i) a citizen or individual resident of the United States, (ii) a corporation or other entity (treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any State thereof or the District of Columbia, (iii) an estate whose income is subject to U.S. federal income taxation regardless of its source, (iv) a trust, if both (a) a court within the United States is able to exercise primary jurisdiction over the administration of the trust, and (b) one or more United States persons have the authority to control all substantial decisions of the trust, or (v) a trust in existence on August 20, 1996, and treated as a United States person prior to such date, that has elected to continue to be treated as a United States person. As used herein, the term “Non-U.S. Registered Note Holder” means a beneficial owner of a Registered Note that is not a “U.S. Holder”. As used herein, the term “Non-U.S. Bearer Note Holder” means a beneficial owner of a Note in bearer form that is not a U.S. Holder and that purchases the Note in bearer form in compliance with the requirements of the applicable U.S. Treasury regulations (“*Bearer Note*”).

U.S. federal income and withholding tax treatment of the Notes held by a partnership or other entity (that is treated as a partnership for U.S. federal income tax purposes) will depend on the activities of such partnership or other entity and the status of the partners. **Partners in a partnership or other entity (that is treated as a partnership for U.S. federal income tax purposes) holding a Note should consult their own tax advisors regarding the U.S. federal income and withholding tax consequences of the acquisition, ownership and disposition of a Note by the partnership.**

Treatment of Notes as Indebtedness

Each Note will be issued in a manner consistent with, and with characteristics that are typical of, indebtedness for U.S. federal income tax purposes. The Issuers believe that, and the following summary assumes that, unless expressly indicated below, the Notes are properly treated as indebtedness for U.S. federal income tax purposes. It is possible that certain Notes such as Index-linked Interest Notes could be characterized as instruments other than debt for U.S. federal income tax purposes. Prospective purchasers of the Notes should consult their own tax advisors regarding the application of U.S. federal income tax law, as well as any state, local, foreign or other tax laws, to the purchase, ownership and disposition of Notes in light of their particular circumstances.

Treatment of the Guarantees

Each Note issued by LBTCBV or LBB will have the benefit of the Guarantee of LBHI as to all amounts of principal and premium and interest, if any, thereof and thereon due. Based on terms and conditions of each Guarantee, the Issuers believe, and the following summary assumes, that the Guarantees will not cause the Notes issued by LBTCBV or LBB to be treated as debt of LBHI for U.S. federal income tax purposes.

Taxation of U.S. Holders

A. Interest

1. General

The taxation of interest on a Note depends on whether the interest is “qualified stated interest” (as defined below). Interest that is qualified stated interest is includible in a U.S. Holder’s income as ordinary income when actually or constructively received (if such U.S. Holder uses the cash method of accounting for U.S. federal income tax purposes) or when accrued (if such U.S. Holder uses an accrual method of accounting for U.S. federal income tax purposes). Interest that is not qualified stated interest is includible in a U.S. Holder’s income under the rules governing “original issue discount”, described below, regardless of such U.S. Holder’s method of accounting.

Generally, for foreign tax credit purposes, interest on Notes issued by LBHI will be classified as income from U.S. sources while interest on Notes issued by LBTCBV or LBB will be classified as income from non-U.S. sources. To the extent that any non-U.S. income or withholding tax is imposed on interest on the Notes issued by LBTCBV or LBB in the hands of a U.S. Holder, such tax may be used either as (i) a credit that offsets the U.S. federal income tax that the U.S. Holder would owe on its income from non-U.S. sources, or (ii) a deduction that reduces the amount of income of the U.S. Holder subject to U.S. federal income tax. Prospective purchasers should consult their tax advisers concerning the applicability of the foreign tax credit and source of income rules to income attributable to Notes.

2. Definitions

(a) Qualified Stated Interest

Interest on a Note is “qualified stated interest” if the interest is unconditionally payable in cash or in property (other than debt instruments of the Issuer) at least annually at a single fixed rate (in the case of a Fixed Rate Note) or at a single “qualified floating rate” or “objective rate” (in the case of a Note that qualifies as a “VRDI” as defined below). If a Note that qualifies as a VRDI provides for interest other than at a single qualified floating rate or single objective rate, special rules apply to determine the portion of such interest that is treated as though it were qualified stated interest. See “4. VRDIs with Original Issue Discount”.

(b) Variable Rate Debt Instruments (VRDI), Qualified Floating Rate and Objective Rate

A Note, such as a Floating Rate Note or an Indexed Interest Note, is a variable rate debt instrument (“*VRDI*”) if all four of the following conditions are met. First, the “issue price” (as defined under “Original Issue Discount”) of the Note must not exceed the total noncontingent principal payments by more than an amount equal to the lesser of (i).015 multiplied by the product of the total noncontingent principal payments and the number of complete years to maturity from the issue date (or, in certain cases, its weighted average maturity) and (ii) 15% of the total noncontingent principal payments. See “7. Extendable and Renewable Notes, Puts and Calls” below for determination of maturity.

Second, except as provided in the preceding paragraph, the Note must not provide for any principal payments that are contingent.

Third, the Note must provide for stated interest (compounded or paid at least annually) at (a) one or more qualified floating rates, (b) a single fixed rate and one or more qualified floating rates, (c) a single objective rate or (d) a single fixed rate and a single objective rate that is a “qualified inverse floating rate” (as defined below).

Fourth, the Note must provide that a qualified floating rate or objective rate in effect at any time during the term of the Note is set at the value of the rate on any day that is no earlier than three months prior to the first day on which that value is in effect and no later than one year following that first day. For example, a Note could not provide for an interest rate based on the LIBOR rate in effect two years prior to each Interest Payment Date.

Subject to certain exceptions, a variable rate of interest on a Note is a “qualified floating rate” if variations in the value of the rate can reasonably be expected to measure contemporaneous fluctuations in the cost of newly borrowed funds in the currency in which the Note is denominated. This includes a variable rate equal to (i) the product of an otherwise qualified floating rate and a “spread multiplier” that is greater than 0.65 but not more than 1.35 or (ii) an otherwise qualified floating rate (or the product described in clause (i)) plus or minus a spread. If the variable rate equals the product of an otherwise qualified floating rate and a single spread multiplier greater than 1.35 or less than or equal to 0.65, however, such rate generally is an objective rate. A variable rate is not considered a qualified floating rate if the variable rate is subject to a cap, floor, governor or similar restriction that is not fixed throughout the term of the Note and is reasonably expected as of the issue date to cause the yield on the Note to be significantly more or less than the expected yield determined without the restriction.

Subject to certain exceptions, an “objective rate” is a rate (other than a qualified floating rate) that is determined using a single fixed formula and that is based on objective financial or economic information that is neither within the control of the Issuer (or a related party) nor unique to the circumstances of the Issuer (or a related party). A rate is not an objective rate if it is reasonably expected that the average value of the rate during the first half of the Note’s term will be either significantly less than or significantly greater than the average value of the rate during the final half of the Note’s term. The IRS may designate rates other than those specified above that will be treated as objective rates. As of the date of this Debt Issuance Program Prospectus, no such other rates have been designated. An objective rate is a “qualified inverse floating rate” if (a) the rate is equal to a fixed rate minus a qualified floating rate and (b) the variations in the rate can reasonably be expected to reflect inversely contemporaneous variations in the cost of newly borrowed funds (disregarding any caps, floors, governors or similar restrictions that would not, as described above, cause a rate to fail to be a qualified floating rate).

If interest on a Note is stated at a fixed rate for an initial period of one year or less, followed by a variable rate that is either a qualified floating rate or an objective rate for a subsequent period, and the value of the variable rate on the issue date is intended to approximate the fixed

rate, the fixed rate and the variable rate together are treated as a single qualified floating rate or objective rate.

(c) Original Issue Discount

Original issue discount is the excess, if any, of a Note's "stated redemption price at maturity" over its "issue price." A Note's "stated redemption price at maturity" is the sum of all payments provided by the Note (whether designated as interest or as principal) other than payments of qualified stated interest. The "issue price" of a Note is the first price at which a substantial amount of the Notes in the issuance that includes the Note is sold (excluding sales to bond houses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). See "7. Extendable and Renewable Notes, Puts and Calls" below for determination of maturity.

The amount of original issue discount with respect to a Note will be treated as zero if the original issue discount is less than an amount equal to 0.0025 multiplied by the product of the stated redemption price at maturity and the number of complete years to maturity (or weighted average maturity, as applicable) ("*de minimis* OID"). Generally, a U.S. Holder must include the *de minimis* OID in income as stated principal payments are made, in an amount equal to the product of the total *de minimis* OID and a fraction, the numerator of which is the amount of principal payment and denominator of which is the total stated principal amount of the Note. Generally, such *de minimis* OID will be treated as capital gain in the hands of the U.S. Holder.

3. Fixed Rate Notes with Original Issue Discount

In the case of a Fixed Rate Note with original issue discount, the amount of original issue discount includible in the income of a U.S. Holder for any taxable year is determined under the constant yield method, as follows. First, the "yield to maturity" of the Note is computed. The yield to maturity is the discount rate that, when used in computing the present value of all interest and principal payments to be made under the Note (including payments of qualified stated interest) produces an amount equal to the issue price of the Note. The yield to maturity is constant over the term of the Note and, when expressed as a percentage, must be calculated to at least two decimal places.

Second, the term of the Note is divided into "accrual periods". Accrual periods may be of any length and may vary in length over the term of the Note, provided that each accrual period is no longer than one year and that each scheduled payment of principal or interest occurs either on the final day of an accrual period or on the first day of an accrual period.

Third, the total amount of original issue discount on the Note is allocated among accrual periods. In general, the original issue discount allocable to an accrual period equals the product of the "adjusted issue price" of the Note at the beginning of the accrual period and the yield to maturity of the Note, less the amount of any qualified stated interest allocable to the accrual period. The adjusted issue price of a Note at the beginning of the first accrual period is its issue price. Thereafter, the adjusted issue price of the Note is its issue price, increased by the amount of original issue discount previously includible in the gross income of any beneficial owner and decreased by the amount of any payment previously made on the Note other than a payment of qualified stated interest. For purposes of computing the adjusted issue price of a Note, the amount of original issue discount previously includible in the gross income of any beneficial owner is determined without regard to "premium" and "acquisition premium", as those terms are defined below under "C. Premium and Acquisition Premium".

Fourth, the "daily portions" of original issue discount are determined by allocating to each day in an accrual period its ratable portion of the original issue discount allocable to the accrual period.

A U.S. Holder includes in income in any taxable year the daily portions of original issue discount for each day during the taxable year that such U.S. Holder held Notes. Under the constant yield method

described above, U.S. Holders generally are required to include in income increasingly greater amounts of original issue discount in successive accrual periods.

4. VRDIs with Original Issue Discount

In the case of a VRDI that provides for qualified stated interest, the amount of qualified stated interest and original issue discount, if any, includible in income during a taxable year are determined under the rules applicable to Fixed Rate Notes by assuming that the variable rate is a fixed rate equal to (i) in the case of a qualified floating rate or a qualified inverse floating rate, the value, as of the issue date, of the qualified floating rate or qualified inverse floating rate, and (ii) in the case of an objective rate (other than a qualified inverse floating rate), the rate that reflects the yield that is reasonably expected for the Note. Qualified stated interest allocable to an accrual period is increased (or decreased) if the interest actually paid during an accrual period exceeds (or is less than) the interest assumed to be paid during the accrual period.

If a VRDI does not provide for qualified stated interest as described above and does not provide for a fixed rate, the amount of interest and original issue discount accruals are determined by constructing an equivalent fixed rate debt instrument, as follows.

First, a fixed rate substitute for each variable rate provided by the Note is determined. The fixed rate substitute for each qualified floating rate provided by the Note is the value of that qualified floating rate on the issue date. If the Note provides for two or more qualified floating rates with different intervals between interest adjustment dates (e.g., the 30-day commercial paper rate and quarterly LIBOR), the fixed rate substitutes are based on intervals that are equal in length (e.g., the 90-day commercial paper rate and quarterly LIBOR, or the 30-day commercial paper rate and monthly LIBOR). The fixed rate substitute for an objective rate that is a qualified inverse floating rate is the value of the qualified inverse floating rate on the issue date. The fixed rate substitute for an objective rate (other than a qualified inverse floating rate) is a fixed rate that reflects the yield that is reasonably expected for the Note.

Second, a hypothetical equivalent fixed rate debt instrument is constructed that has terms identical to those provided under the Note, except that the equivalent fixed rate debt instrument provides for the fixed rate substitutes determined in the first step, in lieu of the qualified floating rates or objective rate provided by the Note.

Third, the amount of qualified stated interest and original issue discount for the equivalent fixed rate debt instrument are determined under the rules described above for Fixed Rate Notes. These amounts are taken into account as if the U.S. Holder held the equivalent fixed rate debt instrument.

Fourth, appropriate adjustments are made for the actual values of the variable rates. In this step, qualified stated interest or original issue discount allocable to an accrual period is increased (or decreased) if the interest actually accrued or paid during the accrual period exceeds (or is less than) the interest assumed to be accrued or paid during the accrual period under the equivalent fixed rate debt instrument.

If a VRDI provides for stated interest either at one or more qualified floating rates or at a qualified inverse floating rate, and in addition provides for stated interest at a single fixed rate, the amount of interest and original issue discount accruals are determined as in the preceding four paragraphs with the modification that the VRDI is treated, for purposes of the first three steps of the determination, as if it provided for a qualified floating rate (or qualified inverse floating rate) rather than the fixed rate. The qualified floating rate (or qualified inverse floating rate) replacing the fixed rate must be such that the fair market value of the VRDI as of the issue date would be approximately the same as the fair market value of an otherwise identical debt instrument that provides for the qualified floating rate (or qualified inverse floating rate) rather than the fixed rate.

5. Contingent Notes

Certain Notes, such as (i) Floating Rate Notes and Index-Linked Interest Notes that are not VRDIs, and (ii) Index-Linked Redemption Amount Notes (together, “*Contingent Notes*”), will be taxable under the rules applicable to contingent payment debt instruments (the “*Contingent Debt Regulations*”), as follows.

First, the Issuer is required to determine, as of the issue date, the comparable yield for the Contingent Note. The comparable yield is generally the yield at which the Issuer would issue a fixed rate debt instrument with terms and conditions similar to those of the Contingent Note (including the level of subordination, term, timing of payments and general market conditions) but not taking into consideration the risk of the contingencies or the liquidity of the Contingent Note. Further, the comparable yield may not be less than the Applicable Federal Rate announced monthly by the IRS (the “*AFR*”). In certain cases where Contingent Notes are marketed or sold in substantial part to tax-exempt investors or other investors for whom the prescribed inclusion of interest is not expected to have a substantial effect on their United States tax liability, the comparable yield for the Contingent Note is, without proper evidence to the contrary, presumed to be the AFR.

Second, solely for tax purposes, the Issuer constructs a projected schedule of payments determined under the Contingent Debt Regulations for the Contingent Note (the “*Schedule*”). The Schedule is determined as of the issue date and generally remains in place throughout the term of the Contingent Note. If a right to a contingent payment is based on market information, the amount of the projected payment is the forward price of the contingent payment. If a contingent payment is not based on market information, the amount of the projected payment is the expected value of the contingent payment as of the issue date. The Schedule must produce the comparable yield determined as set forth above. Otherwise, the Schedule must be adjusted under the rules set forth in the Contingent Debt Regulations.

Third, under the usual rules applicable to Notes issued with original issue discount and based on the Schedule, the interest income on the Contingent Note for each accrual period is determined by multiplying the comparable yield of the Contingent Note (adjusted for the length of the accrual period) by the Contingent Note’s adjusted issue price at the beginning of the accrual period (determined under rules set forth in the Contingent Debt Regulations). The amount so determined is then allocated on a ratable basis to each day in the accrual period that the U.S. Holder held the Contingent Note.

Fourth, appropriate adjustments are made to the interest income determined under the foregoing rules to account for any differences between the Schedule and actual contingent payments. Under the rules set forth in the Contingent Debt Regulations, interest income is generally increased (or decreased) if the actual contingent payment is more (or less) than the projected payment. Differences between the actual amounts of any contingent payments in respect of a Contingent Note made in a calendar year and the projected amounts of such payments are generally aggregated and taken into account, in the case of a positive difference, as additional interest income, or, in the case of a negative difference, first as a reduction in interest income for such year and thereafter, subject to certain limitations, as ordinary loss.

The Contingent Debt Regulations require the Issuer to provide each beneficial owner of a Contingent Note with the Schedule. If the Issuer does not create the Schedule or the Schedule is unreasonable, a U.S. Holder must set its own projected payment schedule and explicitly disclose the fact that the U.S. Holder’s schedule is being used and the reason therefor. Unless otherwise prescribed by the IRS, the U.S. Holder must make such disclosure on a statement attached to the U.S. Holder’s timely filed U.S. federal income tax return for the taxable year in which the Contingent Note was acquired.

6. Election to Treat All Interest as Original Issue Discount

U.S. Holders may elect to include in gross income all interest that accrues on a Note, including any stated interest, acquisition discount, original issue discount, market discount, *de minimis* OID, *de*

minimis market discount and unstated interest (as adjusted by amortizable bond premium and acquisition premium), by using the constant yield method described above under “Original Issue Discount.” Such an election for a Note with amortizable bond premium results in a deemed election to amortize bond premium for all taxable debt instruments owned and later acquired by the U.S. Holder with amortizable bond premium and may be revoked only with the permission of the IRS. Similarly, such an election for a Note with market discount results in a deemed election to accrue market discount in income currently for such Note and for all other debt instruments acquired by the U.S. Holder with market discount on or after the first day of the taxable year to which such election first applies, and may be revoked only with the permission of the IRS. A U.S. Holder’s tax basis in a Note is increased by each accrual of the amounts treated as original issue discount under the constant yield election described in this paragraph.

The application of the foregoing rules may be different in the case of Contingent Notes. Accordingly, prospective purchasers should consult with their tax advisors with respect to the application of the market discount, acquisition premium and amortizable bond premium rules to such Notes.

7. Renewable and Extendable Notes, Puts and Calls

Generally, the maturity date of a Note will be the maturity date specified in the applicable Final Terms. However, the maturity date of a Note that provides either the Issuer or the U.S. Holder with an unconditional option or options, exercisable on one or more dates during the term of the Note, that, if exercised, requires payments to be made on the Note under an alternative payment schedule or schedules (such as an option to extend or an option to call a debt instrument at a fixed premium) will be determined under the special rules in the U.S. Treasury Regulations. Under these rules, the Issuer will be deemed to exercise or not exercise an option or combination of options in a manner that will minimize the yield on the Note while the U.S. Holder will be deemed to exercise or not exercise an option or options in a manner that will maximize the yield on the Note. In addition, depending on the terms and conditions of a Renewable or Extendable Note, a U.S. Holder may be subject to other special rules under U.S. federal income tax law. **Prospective purchasers of Renewable or Extendable Notes should consult their own tax advisors regarding the application of U.S. federal income tax law such Notes.**

8. Integration of Notes with Other Financial Instruments

Any U.S. Holder that also acquires or has acquired any financial instrument which, in combination with a Note, would permit the calculation of a single yield-to-maturity or could generally constitute a VRDI of an equivalent term, may in certain circumstances treat the Note and the financial instrument as an integrated debt instrument for purposes of the U.S. federal income tax law, with a single determination of issue price and the character and timing of income, deductions, gains and losses. For purposes of determining original issue discount, none of the payments in respect of the integrated debt instrument would be treated as qualified stated interest. Moreover, under the Contingent Debt Regulations, the IRS may require in certain circumstances that a U.S. Holder that owns a Note integrate the Note with a financial instrument held or acquired by the U.S. Holder or a related party.

9. Maximum and Minimum Interest Rates

Certain Notes issued with adjustable interest rate, such as Floating Rate Notes and Indexed Interest Notes, may provide for a maximum and/or minimum interest rate. In addition, Indexed Redemption Amount Notes may provide for a maximum and/or minimum redemption amount. Such restriction on interest rate or redemption amount may alter the U.S. federal income tax consequences generally applicable to a U.S. Holder of purchasing, owning and disposing of a Note.

10. Instalment Notes

Notes may be issued with installment payment of principal through the term of the Notes. Such Note may be subject to special rules in respect of the accrual of interest. **Prospective purchasers of**

Instalment Notes should consult their own tax advisors regarding the application of U.S. federal income tax law such Notes.

11. Partly Paid Notes

Notes may be issued where purchasers of the Notes pay for the Notes on an instalment schedule or similar arrangement. Such Partly Paid Notes may be subject to special rules for U.S. federal income tax purposes. **Prospective purchasers of Partly Paid Notes should consult their own tax advisors regarding the application of U.S. federal income tax law such Notes.**

12. Hybrid Rate Notes, Equity-Linked Notes or Credit-Linked Notes

To the extent that any Hybrid Rate Notes, Equity-Linked Notes or Credit-Linked Notes are issued, additional discussion of the applicable U.S. federal income tax rules will be provided in the relevant Final Terms. **Prospective investors should examine the applicable Final Terms of Hybrid Rate Notes, Equity-Linked Notes and Credit-Linked Notes and consult their own tax advisors with respect to the purchase, ownership and disposition of such Notes.**

B. Premium

If a U.S. Holder purchases a Note for an amount in excess of the sum of all amounts payable on the Note after the date of acquisition (other than payments of qualified stated interest), such U.S. Holder will be considered to have purchased such Note with “amortizable bond premium” equal in amount to such excess, and generally will not be required to include any original issue discount in income. Generally, a U.S. Holder may elect to amortize such premium as an offset to qualified stated interest income, using a constant yield method similar to that described above (see “2. Definitions — c. Original Issue Discount” above), over the remaining term of the Note (where such Note is not redeemable prior to its maturity date). In the case of Notes that may be redeemed prior to maturity, the premium is calculated assuming that the Issuer or the U.S. Holder will exercise or not exercise its redemption rights in a manner that maximizes the U.S. Holder’s yield. A U.S. Holder that elects to amortize bond premium must reduce such Owner’s tax basis in the Note by the amount of the premium used to offset qualified stated interest income as set forth above. An election to amortize bond premium applies to all taxable debt obligations held during or after the taxable year for which the election is made and may be revoked only with the consent of the IRS.

C. Early Redemptions

Certain Notes having original issue discount may be redeemed prior to maturity through the exercise of a put or call option. Generally, proceeds received in redemption of a Note will be treated in the same manner as the sale or other taxable disposition of the Note. However, such Note may be subject to rules that differ from the general rules discussed above relating to the U.S. federal income tax treatment of original issue discount.

D. Sale and Other Taxable Disposition of Notes

A U.S. Holder generally recognizes gain or loss upon the sale or other taxable disposition of a Note equal to the difference between the amount realized upon such sale or disposition and the U.S. Holder’s adjusted basis in the Note. Such adjusted basis in the Note generally equals the cost of the Note, increased by original issue discount, acquisition discount previously included in respect thereof, and reduced (but not below zero) by any payments on the Note other than payments of qualified stated interest and by any premium that the U.S. Holder has taken into account. To the extent attributable to accrued but unpaid qualified stated interest, the amount realized by the U.S. Holder is treated as a payment of interest. Subject to the discussion under “Foreign Currency Notes” below, any gain or loss is capital gain or loss, except as provided under “Short-Term Notes,” below. The excess of net long-term capital gains over net short-term capital losses is taxed at a lower rate than ordinary income for certain non-corporate taxpayers. The distinction between capital gain or loss and ordinary income or

loss is also relevant for purposes of, among other things, limitations on the deductibility of capital losses. In addition, generally, gain upon the sale or other taxable disposition will be from U.S. sources.

Generally, a U.S. Holder must recognize any gain upon the sale, redemption or other taxable disposition of a Note that is a Contingent Note as interest income until there are no remaining contingent payments on the Note at the time of the sale, redemption or other taxable transaction. A U.S. Holder must generally also recognize any loss upon the sale or other taxable disposition of a Note that is a Contingent Note as ordinary loss to the extent that the holder's total interest inclusions in respect of the Note exceed the total negative adjustments on the Note the holder took into account as ordinary loss and any additional loss is treated as capital loss.

E. Short-Term Notes

In the case of a Note with a maturity of one year or less from its issue date (a "Short-Term Note"), no interest is treated as qualified stated interest, and therefore all interest is included in original issue discount. U.S. Holders that report income for U.S. federal income tax purposes on an accrual method and certain other U.S. Holders are required to include original issue discount in income on such Short-Term Notes on a straight-line basis, unless an election is made to accrue the original issue discount according to a constant yield method based on daily compounding.

Any other U.S. Holder of a Short-Term Note is not required to accrue original issue discount for U.S. federal income tax purposes, unless it elects to do so. In the case of a U.S. Holder that is not required, and does not elect, to include original issue discount in income currently, any gain realized on the sale, exchange or retirement of a Short-Term Note is ordinary income to the extent of the original issue discount accrued on a straight-line basis (or, if elected, according to a constant yield method based on daily compounding) through the date of sale, exchange or retirement. In addition, U.S. Holders that are not required, and do not elect, to include original issue discount in income currently are required to defer deductions for any interest paid on indebtedness incurred or continued to purchase or carry a Short-Term Note in an amount not exceeding the deferred interest income with respect to such Short-Term Note (which includes both the accrued original issue discount and accrued interest that are payable but that have not been included in gross income), until such deferred interest income is realized. A U.S. Holder of a Short-Term Note may elect to apply the foregoing rules (except for the rule characterizing gain on sale, exchange or retirement as ordinary) with respect to "acquisition discount" rather than original issue discount. Acquisition discount is the excess of the stated redemption price at maturity of the Short-Term Note over the U.S. Holder's basis in the Short-Term Note. This election applies to all obligations acquired by the taxpayer on or after the first day of the first taxable year to which such election applies, unless revoked with the consent of the IRS. A U.S. Holder's tax basis in a Short-Term Note is increased by the amount included in such U.S. Holder's income on such a Note.

F. Foreign Currency Notes

Generally, except specifically discussed below, interest, original issue discount and other payments in respect of Notes denominated in, or that provide for payments determined by reference to, a currency other than the United States dollar ("*Foreign Currency Notes*") are determined in such foreign currency based on the U.S. federal income tax rules described above and translated into the United States dollar in the manners described below. Certain Foreign Currency Notes may be subject to special rules discussed in "4. Dual Currency Notes and Foreign Currency Notes that are CPDIs" below.

1. Interest Includible In Income Upon Receipt

A payment of interest on a Foreign Currency Note that is not required to be included in income by the U.S. Holder prior to the receipt of such payment (e.g., qualified stated interest received by a cash method U.S. Holder) is includible in income by the U.S. Holder based on the United States dollar value of the foreign currency determined on the date such payment is received, regardless of whether

the payment is in fact converted to United States dollars at that time. If the interest payment is not so converted, such United States dollar value is the U.S. Holder's tax basis in the foreign currency received.

2. Interest Includible In Income Prior To Receipt

In the case of interest income on a Foreign Currency Note that is required to be included in income by the U.S. Holder prior to the receipt of payment (e.g., stated interest on a Foreign Currency Note held by an accrual basis U.S. Holder or accrued original issue discount), a U.S. Holder is required to include in income the United States dollar value of the amount of interest income that has accrued and is otherwise required to be taken into account with respect to a Foreign Currency Note during an accrual period. Unless the U.S. Holder makes the election discussed in the next paragraph, the United States dollar value of such accrued income is determined by translating such income at the average rate of exchange for the accrual period or, with respect to an accrual period that spans two taxable years, at the average rate for the portion of the accrual period within the taxable year. The average rate of exchange for the accrual period (or partial period) is the simple average of the spot exchange rates for each business day of such period (or other method if such method is reasonably derived and consistently applied). Such U.S. Holder recognizes, as ordinary gain or loss, foreign currency exchange gain or loss with respect to accrued interest income on the date such income is actually received, reflecting fluctuations in currency exchange rates between the last day of the relevant accrual period and the date of payment. The amount of gain or loss recognized equals the difference between the United States dollar value of the foreign currency payment received in respect of such accrual period determined based on the exchange rate on the date such payment is received and the United States dollar value of interest income that has accrued during such accrual period (as determined above).

Under the so-called "spot rate convention election", a U.S. Holder may, in lieu of applying the rules described in the preceding paragraph, elect to translate accrued interest income into United States dollars at the exchange rate in effect on the last day of the relevant accrual period for original issue discount, market discount or accrued interest, or in the case of an accrual period that spans two taxable years, at the exchange rate in effect on the last day of the taxable year. Additionally, if a payment of such income is actually received within five business days of the last day of the accrual period or taxable year, an electing U.S. Holder may instead translate such income into United States dollars at the exchange rate in effect on the day of actual receipt. Any such election applies to all debt instruments held by the U.S. Holder at the beginning of the first taxable year to which the election applies or thereafter acquired by the U.S. Holder and is irrevocable without the consent of the IRS.

3. Purchase, Sale, Exchange or Retirement

A U.S. Holder that converts United States dollars to a foreign currency and immediately uses that currency to purchase a Foreign Currency Note denominated in the same foreign currency normally does not recognize gain or loss in connection with such conversion and purchase. However, a U.S. Holder that purchases a Foreign Currency Note with previously owned foreign currency does recognize ordinary income or loss in an amount equal to the difference, if any, between such U.S. Holder's tax basis in the foreign currency and the United States dollar market value of the Foreign Currency Note on the date of the purchase. A U.S. Holder's tax basis in a Foreign Currency Note (and the amount of any subsequent adjustment to such U.S. Holder's tax basis) is the United States dollar value of the foreign currency amount paid for such Foreign Currency Note (or of the foreign currency amount of the adjustment) determined on the date of such purchase or adjustment. In the case of an adjustment resulting from accrual of original issue discount or market discount, such adjustment is made at the rate at which such original issue discount or market discount is translated into United States dollars under the rules described above.

Gain or loss realized upon the sale, exchange or retirement of, or the receipt of principal on, a Foreign Currency Note, to the extent attributable to fluctuations in currency exchange rates, is generally ordinary income or loss. Gain or loss attributable to fluctuations in exchange rates equals the

difference between (i) the United States dollar value of the foreign currency purchase price for such Note, determined on the date such Note is disposed of, and (ii) the United States dollar value of the foreign currency purchase price for such Note, determined on the date such U.S. Holder acquired such Note. Any portion of the proceeds of such sale, exchange or retirement attributable to accrued interest income may result in exchange gain or loss under the rules set forth above. Such foreign currency gain or loss is recognized only to the extent of the overall gain or loss realized by a U.S. Holder on the sale, exchange or retirement of the Foreign Currency Note. In general, the source of such foreign currency gain or loss is determined by reference to the residence of the U.S. Holder or the “*qualified business unit*” of such U.S. Holder on whose books the Note is properly reflected. Any gain or loss realized by a U.S. Holder in excess of such foreign currency gain or loss is capital gain or loss (except to the extent of any accrued market discount not previously included in such U.S. Holder’s income or, in the case of a Short-Term Note having original issue discount, to the extent of any original issue discount not previously included in such U.S. Holder’s income).

The tax basis of a U.S. Holder in any foreign currency received on the sale, exchange or retirement of a Foreign Currency Note is equal to the United States dollar value of such foreign currency, determined at the time of such sale, exchange or retirement. Treasury regulations provide a special rule for purchases and sales of publicly traded securities by a cash method taxpayer under which units of foreign currency paid or received are translated into United States dollars at the spot rate on the settlement date of the purchase or sale. Accordingly, no exchange gain or loss results from currency fluctuations between the trade date and the settlement of such a purchase or sale. An accrual method taxpayer may elect the same treatment with respect to the purchase and sale of publicly traded securities provided the election is applied consistently. Such election cannot be changed without the consent of the IRS. U.S. Holders should consult their tax advisors concerning the applicability to Foreign Currency Notes of the special rules summarized in this paragraph.

Amortizable bond premium of a Foreign Currency Note are determined in the relevant foreign currency. The amount of such exchange gain or loss with respect to amortizable bond premium is determined by treating the portion of premium amortized with respect to any period as a return of principal. With respect to a U.S. Holder of a Foreign Currency Note that does not elect to amortize premium, the amount of premium, if any, is treated as a capital loss when such Note matures.

4. Dual Currency Notes and Foreign Currency Notes that are CPDIs

Current U.S. Treasury Regulations do not discuss the tax consequences of the acquisition of a Foreign Currency Note that is a Dual Currency Note or that is treated as a Contingent Note. Such Foreign Currency Notes may be subject to rules that differ from the general rules described above. **Prospective investors should examine the applicable Final Terms of Foreign Currency Notes that are Dual Currency Notes or Contingent Notes and consult their own tax advisors with respect to the purchase, ownership and disposition of such Foreign Currency Notes.**

5. Redenomination

Under certain circumstances, a Foreign Currency Note may be redenominated in another non-U.S. currency. Generally, if such redenomination is from a legacy currency to the Euro, such redenomination is not treated as a taxable conversion for U.S. federal income tax purposes. In other circumstances, a redenomination may be treated as a taxable conversion.

6. Tax Shelter Reporting Requirements

U.S. Treasury Regulations (the “*Tax Shelter Regulations*”) intended to address so-called tax shelters and other potentially tax-motivated transactions require participants in a “reportable transaction” to disclose certain information about the transaction on IRS Form 8886 and retain information relating to the transaction. In addition, organizers and sellers of reportable transactions are required to maintain lists identifying the transaction investors and furnish to the IRS upon demand such investor information as well as detailed information regarding the transactions. A transaction may be a

“reportable transaction” based upon any of several indicia, including the existence of confidentiality agreements, certain indemnity arrangements, potential for recognizing investment or other losses, including foreign currency losses, or significant book-tax differences, one or more of which may be present with respect to or in connection with an investment in the Notes. If a U.S. Holder participates in a “reportable transaction,” in connection with its investment in a Note (because, for example, the U.S. Holder realizes a foreign currency loss over a threshold amount), the U.S. Holder will be treated as participating in a “reportable transaction” and will have to disclose its participation in such transaction while organizers and sellers of reportable transactions will be required to maintain lists described above.

U.S. federal backup withholding and information reporting requirements may apply to certain payments of interest on, and proceeds from the sale, retirement or other taxable disposition of a Registered Note held by a U.S. Holder. A portion of any such payment may be withheld as a backup withholding against such U.S. Holder’s potential U.S. federal income tax liability if such U.S. Holder fails to establish it is exempt from these rules, furnish its correct taxpayer identification number, or otherwise fails to comply with such information reporting requirements. Corporate U.S. Holders are generally exempt from the backup withholding and information reporting requirements but may be required to comply with certification and identification requirements in order to prove their exemption. Any amounts withheld under the backup withholding rules from a payment to a U.S. Holder will be credited against such U.S. Holder’s US federal income tax liability, if any, or refunded if the amount withheld exceeds such tax liability provided the required information is furnished to the IRS.

Taxation of Non-U.S. Holders

This subsection describes the material U.S. federal income and withholding tax consequences to a Non-U.S. Holder of a Note. “*Non-U.S. Holder*” means a beneficial owner of a Note or Coupon that is, for United States federal income tax purposes: a nonresident alien individual; a foreign corporation; or an estate or trust that in either case is not subject to United States federal income tax on a net income basis on income or gain from a Note or Coupon.

This summary does not address all of the U.S. federal income and withholding tax consequences that may be relevant to a Non-U.S. Holder in light of the Non-U.S. Holder’s particular circumstances including Non-U.S. Holders who hold the Note in a manner that is effectively connected with the conduct of a trade or business in the United States, are present in the United States for 183 days or more in the taxable year the Non-U.S. Holder disposes of the Note, are banks receiving interest described in Section 881(c)(3)(A) of the Code, are controlled foreign corporations related to LBHI, or are owners actually or constructively of 10% or more of the total combined voting power of all classes of stock of LBHI entitled to vote.

A. Principal and Interest

Subject to the discussion of backup withholding below, payments of principal and interest (including original issue discount) with respect to a Registered Note issued by LBTCBV or LBB to a Non-U.S. Holder will be treated as non-U.S. sourced payments and will not be subject to U.S. federal income or withholding tax. Payments of principal and interest (including original issue discount) by LBHI to Non-U.S. Holders are not subject to U.S. federal income or withholding tax, provided that the interest is not contingent interest as described in Section 871(h)(4) of the Code (relating primarily to interest based on or determined by reference to income, profits, cash flow and other comparable attributes of the obligor or a party related to the obligor), and, in the case of Registered Notes, the Holder provides a properly completed IRS Form W-8BEN, or other such applicable form.

B. Sale and Other Taxable Exchange

Subject to the discussion of backup withholding below, gain realized upon the sale or retirement or other taxable disposition of a Note by a Non-U.S. Holder is not subject to U.S. federal income or withholding tax.

Information Reporting and Backup Withholding

Payments on and proceeds from the sale of the Notes made outside the United States by a payor that is not a “U.S. connected person” generally will be exempt from the U.S. information reporting and backup withholding rules; however, payments on Registered Notes issued by LBHI will be subject to certain U.S. information reporting rules and may be subject to backup withholding if the Non-U.S. Holder does not provide the form described in the discussion under “Principal and Interest” above (though the same payment will not be subject to both withholding and backup withholding). A U.S. connected person, for these purposes includes but is not limited to (a) a United States person, (b) a controlled foreign corporation, (c) a United States branch of a foreign bank or foreign insurance company, (d) a foreign partnership controlled by United States persons or engaged in a United States trade or business or (e) a foreign person 50% or more of whose gross income is effectively connected with the conduct of a United States trade or business for a specified three-year period.

Backup withholding is not an additional tax. Rather amounts withheld from a payment under the backup withholding rules are credited against any U.S. federal tax liability of the Non-U.S. Holder and may entitle the Non-U.S. Holder to a refund, provided that the required information is timely furnished to the IRS.

NETHERLANDS TAXATION

The following summary of certain Dutch taxation matters is based on the laws and practice in force as of the date of this Debt Issuance Program Prospectus and is subject to any changes in law and the interpretation and application thereof, which changes could be made with retroactive effect. The following summary does not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to acquire, hold or dispose of the Notes, and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities) may be subject to special rules. Save as otherwise indicated, this summary only addresses the position of investors who do not have any connection with The Netherlands other than the holding of the Notes. Investors should consult their professional advisers on the tax consequences of their acquiring, holding and disposing of the Notes under the laws of their country of citizenship, residence, domicile or incorporation.

1. Withholding Tax

All payments by the Issuer of interest and principal under the Notes, Coupons, Talons or Receipts can be made free of withholding or deduction for, or on account of, any taxes of whatsoever nature imposed, levied, withheld or assessed by The Netherlands or any political subdivision or taxing authority thereof or therein, provided that, if the Notes, Coupons, Talons or Receipts have no fixed maturity date or a maturity date exceeding ten years,

- (i) such payments are not dependent, or deemed to be dependent, in whole or in part, on the profits of or on the distribution of profits by the Issuer or an affiliated company (*verbonden lichaam*); or
- (ii) whether such payments become due is not dependent, or deemed to be dependent, in whole or in part, on the profits of or on the distribution of profits by the Issuer or an affiliated company, unless the Notes, Coupons, Talons or Receipts have a fixed maturity date not exceeding 50 years or are not subordinated.

2. Taxes on Income and Capital Gains

A holder of a Note, Coupon, Talon or Receipt who derives income from a Note, Coupon, Talon or Receipt or who realises a gain on the disposal or redemption of a Note, Coupon, Talon or Receipt will not be subject to Dutch taxation on such income or capital gains unless:

- (i) the holder is, or is deemed to be, resident in The Netherlands or, where the holder is an individual, such holder has elected to be treated as, a resident of The Netherlands; or

- (ii) such income or gain is attributable to an enterprise or part thereof which is either effectively managed in The Netherlands or carried on through a permanent establishment (*vaste inrichting*) or a permanent representative (*vaste vertegenwoordiger*) in The Netherlands; or
- (iii) the holder is not an individual and has, directly or indirectly, a substantial interest (*aanmerkelijk belang*) or a deemed substantial interest in the Issuer and such interest does not form part of the assets of an enterprise; or
- (iv) the holder is an individual and has, directly or indirectly, a substantial interest (*aanmerkelijk belang*) in the Issuer or such income or gain otherwise qualifies as income from miscellaneous activities (*belastbaar resultaat uit overige werkzaamheden*) in The Netherlands as defined in the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*).

3. Gift, Estate or Inheritance Taxes

Dutch gift, estate or inheritance taxes will not be levied on the occasion of the transfer of a Note, Coupon, Talon or Receipt by way of gift by, or on the death of, a holder, unless:

- (i) the holder is, or is deemed to be, resident in The Netherlands for the purpose of the relevant provisions; or
- (ii) the transfer is construed as an inheritance or as a gift made by, or on behalf of, a person who, at the time of the gift or death, is or is deemed to be resident in The Netherlands for the purpose of the relevant provisions; or
- (iii) such Note, Coupon, Talon or Receipt is attributable to an enterprise or part thereof which is either effectively managed in The Netherlands or carried on through a permanent establishment or a permanent representative in The Netherlands.

4. Value Added Tax

There is no Dutch value added tax payable by a holder of a Note, Coupon, Talon or Receipt in respect of payments in consideration for the issue of the Notes, Coupons, Talons or Receipts or in respect of the payment of interest or principal under the Notes, Coupons, Talons or Receipts, or the transfer of the Notes, Coupons, Talons or Receipts.

5. Other Taxes and Duties

There is no Dutch registration tax, stamp duty or any other similar tax or duty payable in The Netherlands by a holder of a Note, Coupon, Talon or Receipt in respect of or in connection with the execution, delivery and/or enforcement by legal proceedings (including any foreign judgement in the courts of The Netherlands) of the Notes, Coupons, Talons or Receipts or the performance of the Issuer's obligations under the Notes, Coupons, Talons or Receipts.

6. Residence

A holder of a Note, Coupon, Talon or Receipt will not be treated as a resident of The Netherlands by reason only of the holding of a Note, Coupon, Talon or Receipt or the execution, performance, delivery and/or enforcement of the Notes, Coupons, Talons or Receipts.

GERMAN TAXATION

The information below is not intended as tax advice and it does not purport to describe all of the tax considerations that may be relevant to a prospective purchaser of the Notes. Prospective purchasers are urged to satisfy themselves as to the overall tax consequences of purchasing, holding and/or selling the Notes. As each Tranche of the Notes may be subject to a different tax treatment due to the specific terms of each Tranche, the following section only provides some very generic

information on the possible tax treatment and has to be read in conjunction with more specific information on the taxation of each Tranche of Notes as provided in the relevant Final Terms.

Germany

Persons, resident in the Federal Republic of Germany are subject to income taxation (income tax or corporate income tax, as the case may be, and solidarity surcharge) on their worldwide income, regardless of its source, including interest from debentures of any kind, such as the Notes. Capital gain from the sale of the Notes is, *inter alia*, taxable if (i) it falls into a category of income effectively connected to a German trade or business or (ii) the sale occurs within one year after purchase of the Notes.

Accrued unpaid interest paid as a part of the sales price (“*Accrued Interest*”) is deemed to be interest and taxed accordingly. Furthermore, if the Note is regarded to be a financial innovation (*Finanzinnovation*) within the meaning of the Income Tax Act (*Einkommensteuergesetz*), amounts received upon sale, transfer or redemption of a Note by an individual Holder may be regarded as taxable interest income (“*Deemed Interest*”) in an amount equal to (i) the difference between the issue price or purchase price of the Note and the redemption amount or sale proceeds to the extent such amount is attributable to the period over which such Holder of a Note has held such Note (*Besteuerung nach der Emissionsrendite*), or (ii) alternatively, the difference between the proceeds from the sale or redemption and the purchase price or issue price (*Besteuerung nach der Marktrendite*). If the Notes form part of the property of a German trade or business, the annual increase in value of the Notes, as calculated at the time of acquisition, must be taken into account *pro rata temporis* as interest income.

Persons not resident nor deemed resident pursuant to German tax law are currently not subject to German income taxation with respect to interest or capital gains which they may receive under the Notes unless such income falls into a category of income from German sources such as income from the letting and leasing of German property or income effectively connected with a German trade or business, or interest is paid upon physical presentation of Coupons or Notes. Where the Notes form part of the property of a German trade or business interest income, including Accrued and Deemed Interest, and capital gains will also be subject to trade tax.

The German withholding tax rules require, *inter alia*, withholding by a German financial institution, which term includes a German branch of a foreign financial institution but excludes a foreign branch of a German financial institution or, if no such German financial institution pays out the interest amounts, the debtor of the interest payments (i) (other than in the case of (ii) below) at a rate of 30% upon interest payments made by such German financial institution or the debtor to (a) German tax residents (i.e. persons whose residence, customary place of abode, corporate seat or principal place management is located in Germany) and (b) persons who are not resident in the Federal Republic of Germany if according to German income tax law the interest received from the Notes fall into a category of income from German sources such as income from the letting and leasing of German property or income effectively connected with a German trade or business ((a) or (b) each a “*German Holder*”) and (ii) at a rate of 35% upon interest payments made upon presentation to a German financial institution of interest coupons (with or without the Note itself) by a German or foreign Holder (other than a foreign financial institution). Withholding tax on interest is also imposed under the same conditions on Accrued Interest and Deemed Interest. As regards Deemed Interest withholding tax will be assessed on an amount equal to the difference between the issue or purchase price of the Note and the redemption amount or sales proceeds if the Holder has kept the Note in a custodial account with the same financial institution since the time of issuance or acquisition, respectively. Otherwise withholding tax is applied to 30% of the amounts paid in partial or final redemption of the Note or the proceeds from the sale of the Note. The aforementioned tax rates are increased by the solidarity surcharge (*Solidaritätszuschlag*) amounting to 5.5% of the respective tax rate. The total withholding tax burden therefore amounts to 31.65% and 36.925% respectively. The withholding tax (including solidarity surcharge) is an advance payment on the income tax liability if the recipient of the interest payment is subject to German income taxation by assessment.

If the amount of interest due under or the redemption amount of the Note depends on the performance of an index or if the Note can be regarded as an equity-like investment, income and deemed income may be

subject to income taxation, trade tax and, even if interest on the Note is not paid out by a German financial institution, to withholding tax.

AUSTRALIAN TAXATION

The following is a summary of the Australian taxation treatment at the date of this Debt Issuance Program Prospectus, of payments on Notes to be issued by LBTCBV under the Programme and certain other matters. It is a general guide and should be treated with appropriate caution. Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

1. Interest withholding tax

So long as LBTCBV continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of LBTCBV in Australia, payments of principal and interest made under the Notes issued by it should not be subject to Australian interest withholding tax.

So long as the Guarantor continues to be a non-resident of Australia and the Guarantee is not attributable to a permanent establishment of the Guarantor in Australia, any payment by the Guarantor under the Guarantee should not be subject to Australian interest withholding tax.

2. Other tax matters

Under Australian laws as presently in effect:

- (a) *bearer debenture income withholding tax* – the requirements of section 126 of the *Income Tax Assessment Act 1936* of Australia relating to bearer debentures do not apply to debentures (which would include the Notes) issued by a non-resident body corporate which are not attributable to a permanent establishment of that body corporate in Australia; and
- (b) *death duties* – no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death; and
- (c) *stamp duty and other taxes* – no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Notes; and
- (d) *other withholding taxes on payments in respect of Notes* – so long as LBTCBV continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the *Income Tax Assessment Act 1936* of Australia and section 12-140 of the *Taxation Administration Act 1953* of Australia should not apply in connection with Notes issued by LBTCBV; and
- (e) *supply withholding tax* – payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under section 12-190 of the *Taxation Administration Act 1953* of Australia; and
- (f) *goods and services tax (GST)* – neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by LBTCBV, nor the disposal of the Notes, would give rise to any GST liability in Australia.

UNITED KINGDOM TAXATION

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes. The comments are made on the assumption that the Issuers of the Notes are not resident in the United Kingdom for United Kingdom tax purposes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes. Prospective Note Holders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other series of Notes. The following is a general guide and should be treated with appropriate caution. Note Holders who are in any doubt as to their tax position should consult their professional advisers. Note Holders who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Notes. In particular, Note Holders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

A. UK Withholding Tax on Interest Payments by the Issuer

Interest on Notes issued for a term of less than one year (and which are not issued under arrangements the effect of which is to render the Notes part of a borrowing with a total term of one year or more) may be paid by the relevant Issuer without withholding or deduction for or on account of United Kingdom income tax.

Interest on Notes issued for a term of one year or more (or under arrangements the effect of which is to render the Notes part of a borrowing with a total term of one year or more) may be paid by the relevant Issuer without withholding or deduction for or on account of United Kingdom income tax except in circumstances where such interest has a United Kingdom source. Interest on Notes may have a United Kingdom source where, for example, the Notes are secured on assets situate in the United Kingdom or the interest is paid out of funds maintained in the United Kingdom. LBHI wishes Note Holders to be aware that interest on the Notes may be considered to have a United Kingdom source.

Interest which has a United Kingdom source (“*UK interest*”) may be paid by the relevant Issuer without withholding or deduction for or on account of United Kingdom income tax if the Notes in respect of which the UK interest is paid constitute “quoted Eurobonds”. Notes which carry a right to interest will constitute quoted Eurobonds provided they are and continue to be listed on a recognised stock exchange. On the basis of the United Kingdom Inland Revenue’s published interpretation of the relevant legislation, Notes which are to be listed on a stock exchange in a country which is a member state of the European Union or which is part of the European Economic Area will satisfy this requirement if they are listed by a competent authority in that country and are admitted to trading on a recognised stock exchange in that country; securities which are to be listed on a stock exchange in any other country will satisfy this requirement if they are admitted to trading on a recognised stock exchange in that country. The Luxembourg Stock Exchange, the Singapore Stock Exchange and the Australian Stock Exchange are, as at the date hereof, each recognised stock exchanges for these purposes (however, it has not been possible to confirm whether the Singapore Exchange Securities Trading Limited is a recognised stock exchange for these purposes).

In all other cases, UK interest on the Notes may fall to be paid under deduction of United Kingdom income tax at the lower rate (currently 20 per cent.) subject to such relief as may be available under the provisions of any applicable double taxation treaty or to any other exemption which may apply.

B. Payments by Guarantor

If the Guarantor makes any payments in respect of interest on the Notes (or other amounts due under the Notes other than the repayment of amounts subscribed for the Notes) and either the interest on (or other

amounts due under) the Notes or any payments made by the Guarantor have a United Kingdom source (and such interest, amounts or payments may have a United Kingdom source where, for example, they are secured on assets situate in the United Kingdom or they are paid out of funds maintained in the United Kingdom – LBHI wishes Note Holders to be aware that interest on the Notes may be considered to have a United Kingdom source), such payments by the Guarantor may be subject to United Kingdom withholding tax at the basic rate (currently 22 per cent.) subject to such relief as may be available under the provisions of any applicable double taxation treaty or to any other exemption which may apply. Such payments by the Guarantor may not be eligible for the exemptions described in A above.

C. Payments under Deed of Covenant

Any payments made by the Issuers under the Deed of Covenant may not qualify for the exemptions from United Kingdom withholding tax described above.

D. Provision of Information

Note Holders should note that where any interest on Notes is paid to them (or to any person acting on their behalf) by the Issuers or any person in the United Kingdom acting on behalf of the Issuers (a “paying agent”), or is received by any person in the United Kingdom acting on behalf of the relevant Note Holder (other than solely by clearing or arranging the clearing of a cheque) (a “collecting agent”), then the relevant Issuer, the paying agent or the collecting agent (as the case may be) may, in certain cases, be required to supply to the United Kingdom Inland Revenue details of the payment and certain details relating to the Note Holder (including the Note Holder’s name and address). These provisions will apply whether or not the interest has been paid subject to withholding or deduction for or on account of United Kingdom income tax and whether or not the Note Holder is resident in the United Kingdom for United Kingdom taxation purposes. Where the Note Holder is not so resident, the details provided to the United Kingdom Inland Revenue may, in certain cases, be passed by the United Kingdom Inland Revenue to the tax authorities of the jurisdiction in which the Note Holder is resident for taxation purposes.

For the above purposes, “interest” should be taken, for practical purposes, as including payments made by a guarantor in respect of interest on Notes.

With effect from April 6, 2006, the provisions referred to above may also apply, in certain circumstances, to payments made on redemption of any Notes where the amount payable on redemption is greater than the issue price of the Notes.

E. EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, each Member State is required, from 1 July 2005, to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

Also with effect from 1 July 2005, a number of non-EU countries, and certain dependent or associated territories of certain Member States, have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

F. Other Rules Relating to United Kingdom Withholding Tax

1. Where interest has been paid under deduction of United Kingdom income tax, Note Holders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.
2. The references to “interest” above mean “interest” as understood in United Kingdom tax law. The statements above do not take any account of any different definitions of “interest” or “principal” which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation.

LUXEMBOURG TAXATION

(A) Withholding Tax

All payments of interest and principal by the Paying Agent under the Instrument can be made free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with applicable Luxembourg law. See also paragraph E, above “EU Savings Directive”, which may be applicable in the event the Issuer appoints the Paying Agent as a Luxembourg paying agent in the meaning of the EU Directive on the Taxation of Savings Income.

(B) Taxes on Income and Capital Gains

A holder of an Instrument who derives income from such Instrument or who realizes a gain on the disposal or redemption thereof will not be subject to Luxembourg taxation on such income or capital gains unless:

- (i) such holder is, or is deemed to be, resident in Luxembourg for Luxembourg tax purposes (or for the purposes of the relevant provisions); or
- (ii) such income or gain is attributable to an enterprise or part thereof which is carried on through a permanent establishment or a permanent representative in Luxembourg.

UNITED STATES EMPLOYEE BENEFIT PLAN CONSIDERATIONS

The U.S. Employee Retirement Income Security Act of 1974, as amended (“*ERISA*”), imposes certain requirements on “employee benefit plans” (as defined in Section 3(3) of *ERISA*) subject to *ERISA*, including entities such as collective investment funds and separate accounts whose underlying assets include the assets of such plans (collectively, “*ERISA Plans*”) and on those persons who are fiduciaries with respect to *ERISA Plans*. Investments by *ERISA Plans* are subject to *ERISA*’s general fiduciary requirements, including the requirement of investment prudence and diversification and the requirement that an *ERISA Plan*’s investments be made in accordance with the documents governing the *ERISA Plan*.

Section 406 of *ERISA* and Section 4975 of the U.S. Internal Revenue Code of 1986, as amended (the “*Code*”) prohibit certain transactions involving the assets of an *ERISA Plan* (as well as those plans that are not subject to *ERISA* but which are subject to Section 4975 of the *Code*, such as individual retirement accounts (together with *ERISA Plans*, “*Plans*”) and certain persons (referred to as “*parties in interest*” or “*disqualified persons*”) having certain relationships to such *Plans*, unless a statutory or administrative exemption is applicable to the transaction.

Prohibited transactions within the meaning of Section 406 of *ERISA* or Section 4975 of the *Code* may arise if any Notes are acquired by a *Plan* with respect to which any of the Issuers, the Guarantor, the Arranger or the Dealers or any of their respective affiliates are a party in interest or a disqualified person. Certain exemptions from the prohibited transaction provisions of Section 406 of *ERISA* and Section 4975 of the *Code* may be applicable, however, depending in part on the type of *Plan* fiduciary making the decision to acquire Notes and the circumstances under which such decision is made. There can be no assurance that any exemption will be available with respect to any particular transaction involving the Notes, or that, if an exemption is available, it will cover all aspects of any particular transaction. By its purchase of any Notes, whether in the case of the initial purchase or in the case of a subsequent transfer, the purchaser thereof will be deemed to have represented and agreed either that (i) it is not and for so long as it holds Notes will not be an *ERISA Plan* or other *Plan*, an entity whose underlying assets include the assets of any such *ERISA Plan* or other *Plan*, or a governmental or other employee benefit plan which is subject to any U.S. federal, state or local law, or foreign law, that is substantially similar to the provisions of Section 406 of *ERISA* or Section 4975 of the *Code*, or (ii) its purchase and holding of the Notes will not result in a prohibited transaction under Section 406 of *ERISA* or Section 4975 of the *Code* (or, in the case of such a governmental or other employee benefit plan, any such substantially similar U.S. federal, state or local law, or foreign law) for which an exemption is not available.

Governmental plans and certain church and other plans, while not subject to the fiduciary responsibility provisions of *ERISA* or the provisions of Section 4975 of the *Code*, may nevertheless be subject to state or other federal or foreign laws that are substantially similar to *ERISA* and the *Code*. Fiduciaries of any such plans should consult with their counsel before purchasing any Notes.

The foregoing discussion is general in nature and not intended to be all-inclusive. Any *Plan* fiduciary who proposes to cause a *Plan* to purchase any Notes should consult with its counsel regarding the applicability of the fiduciary responsibility and prohibited transaction provisions of *ERISA* and Section 4975 of the *Code* to such an investment, and to confirm that such investment will not constitute or result in a prohibited transaction or any other violation of an applicable requirement of *ERISA*.

The sale of Notes to a *Plan* is in no respect a representation by the Issuers, the Guarantor, the Arranger or the Dealers that such an investment meets all relevant requirements with respect to investments by *Plans* generally or any particular *Plan*, or that such an investment is appropriate for *Plans* generally or any particular *Plan*.

SUBSCRIPTION AND SALE

Subject to the terms and conditions set out in the Amended and Restated Distribution Agreement, dated August 26, 2005 (as amended, supplemented or replaced from time to time, the “*Distribution Agreement*”) between, amongst others, LBHI, LBTCBV, LBB and the Dealers named therein, the Notes may be offered from time to time on a continuing basis by the Issuers through the Dealers, which have agreed to use their reasonable best efforts to solicit purchasers of the Notes. The Issuer of a Note will pay the relevant Dealer a commission, based on the principal amounts of the Notes sold by such Dealer, depending upon maturity, for sales made through it as the Dealer.

The Issuers may also sell Notes to the Dealers as principal for their own accounts at a discount to be agreed upon at the time of sale, or the purchasing Dealer may receive from the relevant Issuer a commission or discount equivalent of that described in the preceding paragraph in the case of any such principal transaction in which no other discount is agreed. In addition, the Notes may be sold from time to time through syndicates of financial institutions, for which a Dealer shall act as lead manager. Such Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer.

The Issuers have reserved the right to sell Notes directly on their own behalf and have agreed with the Dealers that in such event they will comply with the restrictions described in this “Subscription and Sale” section as if they were Dealers. In the case of any sale by an Issuer directly, no commissions will be payable with respect to such sale.

The Issuers have agreed to indemnify the Dealers against certain liabilities and expenses.

The following selling restrictions may be modified by the Issuers and the relevant Dealers following a change in the relevant law, regulation or directive. Any such modification will be set out in the Final Terms issued in respect of the Series to which it is related or in a supplement to this Debt Issuance Program Prospectus.

United States

Neither the Notes nor the Guarantee have been or will be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except as permitted by Regulation S (“*Regulation S*”) or Rule 144A (“*Rule 144A*”) under the Securities Act, or Section 4(2) of the Securities Act in the case of offers and sales by an affiliate of the relevant Issuer to qualified institutional buyers within the meaning of Rule 144A. Terms used in this paragraph have the meaning given to them by Regulation S and Rule 144A.

Each Dealer represents, warrants and agrees that (a) except to the extent permitted under United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the “*D Rules*”), (i) it has not offered or sold, and during the restricted period will not offer or sell, any Notes in bearer Form to a person who is within the United States or its possessions or to a United States person and (ii) it has not delivered and will not deliver within the United States or its possessions any Definitive Notes in bearer Form that are sold during the restricted period; (b) it has and throughout the restricted period will have in effect procedures reasonably designed to ensure that its employees or agents who are directly engaged in selling Notes in bearer Form are aware that such Notes may not be offered or sold during the restricted period to a person who is within the United States or its possessions or to a United States person, except as permitted by the D Rules; (c) if it is a United States person, it is acquiring the Notes in bearer Form for the purposes of resale in connection with their original issuance and if it retains Notes in bearer Form for its own account, it will only do so in accordance with the requirements of United States Treasury Regulation §1.163-5(c)(2)(i)(D)(6); and (d) with respect to each affiliate that acquires from it Notes in bearer Form for the purpose of offering or selling such Notes during the restricted period, such Dealer repeats and confirms the representations and agreements contained in this Subscription and Sale section. Terms used in this paragraph have the meanings given to them by the United States Internal Revenue Code and regulations thereunder, including the D Rules.

Each Dealer has severally agreed, and each further Dealer appointed under the Program will be required to agree, with the Issuers and the Guarantor (in its capacity as such) that, except as permitted by the Distribution Agreement, it will not offer or sell the Notes (a) as part of their distribution at any time or (b) otherwise until 40 days after the completion of the distribution of the Series of which such Notes are a part, as determined and certified to the relevant Issuer by such Dealer (or, in the case of a Series of Notes sold to or through more than one Dealer, by each of such Dealers with respect to Notes of such Series purchased by or through it in which case the relevant Issuer shall notify each such Dealer where all such Dealers have so certified), other than in accordance with Rule 903 of Regulation S or Rule 144A, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period (other than resales, pursuant to Rule 144A) a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer represents and agrees that neither it, its affiliates nor any persons acting on its or their behalf have engaged or will engage in any directed selling efforts with respect to the Notes, and it and they have complied and will comply with the offering restrictions requirement of Regulation S. In addition, each Dealer represents and agrees that neither it, its affiliates, nor any person acting on its or their behalf has engaged or will engage in any form of general solicitation or general advertising (as those terms are used in Rule 502(c) under the Securities Act) in connection with any offer or sale of Notes in the United States. Terms used in the preceding sentence have the meaning given to them by Regulation S.

In addition, until 40 days after the later of commencement of the offering of any Series of Notes and the Issue Date therefor, an offer or sale of Notes of such Series within the United States by a Dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A.

Notwithstanding the foregoing, the Dealer may arrange for the private offer and sale of a portion of the Notes to sophisticated institutional investors in the United States under restrictions and other circumstances designed to preclude a distribution that would require registration of the Notes under the Securities Act, including delivery of a letter containing certain representations and warranties with respect to the investor and its purchase of the securities, an acceptable form of which letter will be supplied to such investors.

Each prospective Purchaser of Notes pursuant to Rule 144A or Section 4(2) of the Securities Act will, by accepting delivery of this Debt Issuance Program Prospectus and by its purchase of such Notes, be deemed to have represented and agreed as follows:

- (1) it acknowledges that this Debt Issuance Program Prospectus is personal to it and does not constitute an offer to any other person or to the public generally to subscribe for or otherwise acquire the Notes other than pursuant to Rule 144A or in offshore transactions in accordance with Regulation S or, in the case of offers and sales from an affiliate of the relevant Issuer, pursuant to Section 4(2) of the Securities Act. Distribution of this Debt Issuance Program Prospectus, or disclosure of any of its contents to any person other than such prospective purchaser and those persons, if any, retained to advise such prospective purchaser with respect thereto and other persons meeting the requirements of Rule 144A or Regulation S, is unauthorized and any disclosure of any of its contents, without the prior written consent of the Issuers, is prohibited; and
- (2) it agrees to make no photocopies of this Debt Issuance Program Prospectus or any documents referred to herein and, if it does not purchase Notes or the offering is terminated, to return this Debt Issuance Program Prospectus and all documents referred to herein to the Dealer or the affiliate thereof who furnished this Debt Issuance Program Prospectus and those documents.

The Distribution Agreement provides that a Dealer nominated by a relevant Issuer may arrange for the placing of Notes in the United States to qualified institutional buyers within the meaning of Rule 144A. Each purchaser of Notes in reliance on Rule 144A or, in the case of offers and sales from an affiliate of the relevant Issuer, pursuant to Section 4(2) of the Securities Act will be deemed to have represented and agreed as follows:

- (1) it is a qualified institutional buyer within the meaning of Rule 144A and it is acquiring such Notes for its own account or for the account of a qualified institutional buyer and it is aware, and each beneficial owner of such Notes has been advised, that the sale of such Notes is being made in reliance on Rule 144A or Section 4(2) of the Securities Act, as the case may be;
- (2) it understands that the Notes are being offered, and may be transferred, only in a transactions not involving any public offering within the meaning of the Securities Act. It understands that none of the Notes have been or will be registered under the Securities Act and it agrees, for the benefit of LBHI, the Issuers, the Guarantor, the Dealers and their affiliates that, if in the future it decides to offer, resell or otherwise transfer such Notes purchased by it, any offer, sale or transfer of such Notes will be made in compliance with the Securities Act and other applicable law of the states, territories and possessions of the United States governing the offer and sale of securities and only (i) to the relevant Issuer (upon the redemption of such Notes or otherwise); (ii) outside of the United States in a transaction exempt from the registration requirements of the Securities Act pursuant to Rule 904 of Regulation S; (iii) pursuant to and in accordance with Rule 144A to an institutional investor that it reasonably believes is a qualified institutional buyer within the meaning of Rule 144A purchasing for its own account or for the account or for the account of a qualified institutional buyer whom it has informed, in each case, that the offer, resale or other transfer is being made in reliance on Rule 144A; (iv) to a Dealer; or (v) if available, pursuant to the exemption from registration under the Securities Act provided by Rule 144 thereunder. It further understands that no representation can be made by LBHI, the Issuers, any Dealer or any of their respective affiliates, representatives or agents as to the availability of the exemption provided by Rule 144 for resales of the Notes; and
- (3) it understands that any Notes purchased pursuant to Rule 144A or Section 4(2) of the Securities Act will be issued in registered form in minimum denominations of \$500,000 and will bear a legend to the following effect:

THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR WITH ANY SECURITIES REGULATORY AUTHORITY OR ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES. - (4) It acknowledges that the Issuers, the Guarantor, the Dealers and their affiliates, and others will rely upon the truth and accuracy of the foregoing acknowledgments, representations and agreements. If it is acquiring any Notes for the account of one or more qualified institutional buyers it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgments, representations and agreements on behalf of each such account.

Each person purchasing Notes from a Dealer or through an affiliate of a Dealer pursuant to Rule 144A acknowledges that (i) it has been afforded an opportunity to request from the relevant Issuer, and to review, and it has received, all additional information considered by it to be necessary to verify the accuracy of the information herein; (ii) it has not relied on any Dealer or any person affiliated with any Dealer in connection with its investigation of the accuracy of the information contained in this Debt Issuance Program Prospectus or its investment decision; and (iii) no person has been authorized to give any information or to make any representation concerning the relevant Issuer or the Notes other than those contained in this Debt Issuance Program Prospectus and, if given or made, such other information or representation should not be relied upon as having been authorized by the relevant Issuer or any Dealer.

This Debt Issuance Program Prospectus has been prepared by the Issuers for use in connection with the offer and sale of the Notes outside the United States to non-U.S. persons and for the resale of the Notes in the United States. The Issuers and the Dealers reserve the right to reject any offer to purchase, in whole or part, for any reason, or to sell less than the number of Notes which may be offered pursuant to Rule 144A. This Debt Issuance Program Prospectus does not constitute an offer to any person in the United States or to any U.S. person other than any “qualified institutional buyer” within the meaning of Rule 144A to whom an offer has been made directly by one of the Dealers or an affiliate of one of the Dealers. Distribution of this Debt Issuance Program Prospectus to any U.S. person or to any person within the United States, other than those persons, if any, retained to advise it with respect thereto, is unauthorized and any disclosure of any of its contents, without prior written consent of the Issuers, is prohibited.

This Debt Issuance Program Prospectus may also be used by Lehman Brothers International (Europe), a subsidiary of LBHI, in connection with offers and sales of the Notes pursuant to Rule 144A or Section 4(2) of the Securities Act related to market making transactions by and through Lehman Brothers, a subsidiary of LBHI, or any other subsidiary of LBHI, at negotiated prices related to prevailing market prices at the time of sale or otherwise.

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “*Relevant Member State*”), each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “*Relevant Implementation Date*”) it has not made and will not make an offer of Notes to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “Prospectus Directive” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.
